<b>Worksheet 7 Line 701 PP</b>				<b>\$ 541.62</b>

**Footnote: 1**

The FCC Form 1240 instructions for Worksheet 8 Lines 801 through 812 state, “For each tier, enter the rate which was in effect for each month of True-up Period 1.” They go on to state “The rate used should be the figure from your rate card at that time.” In its regulated service tier rate on Worksheet 8, CSC has made adjustments to account for the following items:

1. Basic service tier –

- According to FCC Form 1240 instructions “ The Maximum permitted rate figure calculated on form 1240 does not take into account any refund liability that you may have.” In order to comply with this language in the instructions, CSC has removed from its rate card rate for the basic tier, any amounts refunded to subscribers (on a per subscriber per month basis).
- In addition, for those systems for which a FCC Form 1235 was filed, any basic service tier rate increases implemented based on the 1235 filing have been removed from the rate card rate.
