**No Confidential Materials Enclosed**

Dear Secretary Brilling:

Attached please find a copy of the Motion of Niagara Mohawk Power Corporation d/b/a National Grid for Removal of Certain Information from the Commission's Public Records and Submission of Materials for Protection under Protective Order. The Company's request for protective treatment relates to information contained in Exhibit \_\_\_\_ (SAP-5) of the Staff Accounting Panel's Supplemental Testimony, which was filed on August 9, 2010, and the Supplemental Testimony and Exhibits of Andrew F. Sloey, which was filed on August 30, 2010. The enclosed submission is redacted to remove all confidential information.

A copy of this motion is being provided to the Administrative Law Judges assigned to this matter (Bouteiller and Stegemoeller), and to the parties on the active parties list.

Thank you for your time and attention.

Respectfully submitted,

/s/*Patric R. O'Brien*

**I. INTRODUCTION**

On August 9, 2010, the Department of Public Service Staff (“DPS Staff”) filed the “Prepared Supplemental Testimony of the Staff Accounting Panel” and accompanying exhibits (the “SAP Testimony”). Exhibit \_\_\_\_ (SAP-5) of the SAP Testimony contains an excerpt of National Grid’s response to certain data requests made by the Massachusetts Attorney General in the ongoing Massachusetts gas rate case in Docket No. DPU 10-55 involving National Grid affiliates Boston Gas Company, Essex Gas Company and Colonial Gas Company.

On August 30, 2010, Niagara Mohawk Power Corporation d/b/a National Grid (“Niagara Mohawk” or “the Company”) submitted the “Supplemental Filing, Testimony and Exhibits of Andrew F. Sloey” (the “Testimony”) in the above proceeding. Both Exhibit \_\_\_\_(SAP-5) (at pages 18, 36 and 47-54) and Exhibit \_\_\_\_ (AFS-1S), Sheets 4 and 5, to the Testimony include information identifying by name the minor children of certain employees of National Grid plc, the names of the schools attended by those children, and medical information of certain employees and their families (hereinafter this information will be referred to as “the Confidential Information”). This

information warrants confidential treatment under Sections 87(2)(b), 87(2)(f) and 89(2)(b)(iv) of the New York Public Officers Law (McKinney's 2009) and should have been redacted. Accordingly, Niagara Mohawk hereby submits this motion by which it requests Your Honors to issue an order directing the removal of the Confidential Information contained in Exhibit \_\_\_\_ (SAP-5) and in Exhibit \_\_\_\_ (AFS-1S) from the Commission's public records.<sup>1</sup> In addition, in accordance with the Ruling Adopting Protective Order<sup>2</sup> ("Ruling"), Niagara Mohawk requests a protective order that would prevent the public disclosure of the Confidential Information. This information warrants protection under the category "[p]ersonal information that raises privacy issues in the Ruling." National Grid is bringing a similar motion in the Massachusetts docket, DPU 10-55, to protect from public disclosure the Confidential Information contained in Exhibit \_\_\_\_ (SAP-5). Pending a decision on the motion, the Massachusetts DPU has informed the Company that it will be substituting a redacted version of the Confidential Information contained in Exhibit \_\_\_\_ (SAP-5) in the public docket.

Under the New York Public Officers Law, state agencies may exempt from public disclosure records that "if disclosed would constitute an unwarranted invasion of personal privacy. . ." N.Y. Pub. Off. Law §87(2)(b). Section 89 of the Public Officers Law expressly provides that the unwarranted invasion of personal privacy includes, but is not limited to, the disclosure of "information of a personal nature that when disclosed would result in a economic or personal hardship to the subject party and such information is not relevant to the work of the agency requesting or maintaining it." See N.Y. Pub. Off. Law § 89(2)(b)(iv). Section 6.1.3(b)(2) of the Commission's regulations further defines what materials may be made exempt from public

---

<sup>1</sup> Copies of the redacted and confidential versions of Exhibit \_\_\_\_ (SAP-5) and Exhibit \_\_\_\_ (AFS-1S) are attached as Attachments A and B, respectively.

<sup>2</sup> Case 10-E-0050, *Niagara Mohawk Power Corporation*, Ruling Adopting Protective Order (Issued May 19, 2010).

disclosure, and sets out the following, non-exhaustive list of factors to be considered:

- i. The extent to which the disclosure would cause unfair economic or competitive damage;
- ii. The extent to which the information is known by others and can involve similar activities;
- iii. The worth or value of the information to the person and the person's competitors;
- iv. The ease or difficulty associated with obtaining or duplicating the information by others without the person's consent; and
- v. Other statute(s) or regulations specifically excepting the information from disclosure.

16 NYCRR 6.1.3(b)(2). In these proceedings, the Presiding Officers have the authority to protect information from public disclosure and to limit access to it among active parties to these proceedings as deemed appropriate.

In addition, information that has the potential to endanger the lives or safety of any person may be protected from public disclosure under Section 87(2)(f) of the Public Officers Law.

## **II. DISCUSSION**

The information that the Company is requesting be removed from the Commission's public records is not, to the Company's knowledge, publicly available and cannot be easily developed, obtained or duplicated independently. The Company assures its employees that personal information will be maintained and held in strict confidence (National Grid USA Human Resources Policy Guidelines Section 6 Subject 6.095).

In addition, the Confidential Information warrants protection from public disclosure because it falls within the category of personal information that is irrelevant to the agency and that "if disclosed would constitute an unwarranted invasion of personal privacy. . ." N.Y. Pub.

Off. Law § 87(2)(b) and § 89(2)(b)(iv). Privacy is measured by what would be offensive and objectionable to a reasonable person of ordinary sensibilities, and a determination requires balancing competing interests of public access and individual privacy. *See, e.g., Empire Realty Corp. v. New York State Div. of Lottery*, 230 A.D.2d 270, 657 N.Y.S.2d 504 (3<sup>rd</sup> Dep’t 1997). Personal information, such as that at issue here, falls within this exemption. *See, e.g., Matter of Seelig v. Sielaff*, 201 A.D.2d 298, 607 N.Y.S.2d 300 (1<sup>st</sup> Dep’t 1994) (social security numbers). With the exception of key Company personnel, National Grid does not disclose individual employee personnel information to any third party. Certainly the affected employees would not want the information for which protection is sought regarding their minor children or their own or their families’ medical information available for public review. Not only would disclosure of this information be considered offensive and objectionable to one of reasonable sensibilities, but the public disclosure of this information may also result in the creation of personal safety and privacy issues for these individuals. Accordingly, this information warrants protection under Sections 87(2)(b), 87(2)(f) and 89(2)(b)(iv) of the Public Officers Law.

The Company is only seeking to redact the names of the children of the affected employees, the identifying information regarding the schools attended by the children and medical information – the other information regarding reimbursed expenses will continue to be subject to public disclosure.

We respectfully request Your Honors to find that the disclosure of the Confidential Information would constitute an improper invasion of the privacy of the employees’ families, and to direct removal of the previously filed Confidential Information from the Commission’s public files. The Company proposes to substitute the enclosed redacted version of Exhibit \_\_ (AFS-1S), Sheets 4 and 5, and Exhibit \_\_ (SAP-5), pages 18, 36, and 47-54, for the materials that

inadvertently included Confidential Information previously filed by the Company and DPS Staff.

### **III. CONCLUSION**

For the foregoing reasons, Niagara Mohawk requests Your Honors to issue a ruling directing removal of the Confidential Information from the Commission's public records and to grant protection of the Confidential Information pursuant to the terms of the Protective Order.

Respectfully submitted,  
Niagara Mohawk Power Corporation

### **Information Request AG-32-8**

#### **Request:**

Please refer to the response to AG-1-38(a). Please define the term “entertainment” as it is used in the attachment and include a list of all items that may be properly included within this category for reimbursement by the Company.

#### **Response:**

Please refer to Attachment AG-32-8(A) for the policies and procedures for employee business expenses. Please also refer to the Company’s response to Information Request DPU-10-9, Attachment 10-9, which provides additional guidance regarding employee business-related expenditures.

It is the Company’s policy to reimburse employees for expenses that they incur personally on behalf of the Company for valid business purposes. This is described in the Statement of Policy included in Attachment AG-32-8(A) which states:

*“It is Company policy to reimburse ordinary and reasonable expense incurred by employees on behalf of the Company when these expenses are properly submitted and comply with prudent business practice.*

*It is the purpose of this policy to set general guidelines for acceptable types and levels of reimbursable or chargeable expenses and their documentation, and to outline requirements for the reporting of and level of approval required for these employee expenses.*

*Employees are expected to exercise prudent business judgment regarding expense covered by this policy. The employee submitting the expense is responsible for the validity of the claim, the adequacy and truthfulness of the documentation and submitting appropriate documentation to support expenses claimed. All employees having the authority to submit and approve such requests must be familiar with the expense reimbursement procedures and responsible to ensure that expenses submitted comply with this policy. This policy also applies to Contractors & Consultants employed by the Company.”*

These policies are guidelines for all business expenses in general, and also provide general guidance for specific business expenses such as travel related expenses including transportation, accommodations and meals while traveling, non-travel related business meals and entertainment, and other reimbursable expenses. These policies do not provide

specific guidance on every possible type of employee business expense, but are helpful in explaining what qualifies as a valid business expense. These policies do not provide specific limits or daily allowances for expenditures such as meals, lodging or rental cars, however the policies do provide that employees are expected to exercise prudent business judgment when incurring business expenditures. The policies do explain, for example, that average daily meal expenses should in general not exceed \$100. The policies also suggest the types of lodging, rental vehicles and air transportation that employees should use when traveling on Company business.

Information requests AG-32-9 through AG-32-18, and AG-32-24 through AG-32-34 ask for information about expense report codes and designations that are generated by the legacy KeySpan and legacy National Grid expense report systems and that were listed in the Company's response to Information Request AG-1-38 in Attachment AG-1-38(a) and AG-1-38(b), respectively. Those expense codes are defined in Attachment AG-32-8(b). Those requests also ask about the types of eligible expenses, daily allowances, restrictions on certain types of reimbursable expenses, and other items. The answers to those requests are set forth in the policies and procedures in Attachment AG-32-8(a) and Attachment DPU-10-9, in the definitions in Attachment AG-32-8(b), or in the text of this response.

Information Requests AG-32-32 and AG-32-33, and AG-32-35 through AG-32-38 ask for definitions of expense report codes that start with an "EX" designation. Expenses with this designation represent the costs of National Grid UK-based employees who have moved to the US on a temporary basis (usually ranging from one to three years) and have been assigned to various roles within National Grid's US operations. Please refer to Attachment AG-32-8(B) for a description of some of the types of expenses reimbursed to these employees.

Lastly, Information Requests AG-32-11 through AG-32-14 request definition of expense report codes that end with a designation of "Non-Trip". The policies and procedures in Attachment AG-32-8(A) at page 3 define "Trip Related Expenses." Trip Related Expenses are employee expenses that are incurred during a "trip", which is defined as travel by air or travel that is more than 100 miles from an employee's assigned work location and/or travel outside of the service territory. "Non-Trip" related expenses are transportation related business expenses that don't meet the definition of a "trip" and would include such things as mileage reimbursement for travel to business meetings, hearings, travel between National Grid locations, and off-hour travel (e.g. weekends), and transportation by use of public transportation, taxi cab, limousine for travel to business meetings, hearings, travel between National Grid locations and off-hour travel.

Supplemental Testimony of  
Andrew F. Sloey

**Before the Public Service Commission**

**NIAGARA MOHAWK POWER CORPORATION d/b/a NATIONAL GRID**

**Supplemental Testimony**

**of**

**Andrew F. Sloey**

**Dated: August 30, 2010**

**1 Q. Please state your name.**

2 A. My name is Andrew F. Sloey.

3

4 Q. Have you previously provided testimony in this proceeding?

5 A. Yes. I provided direct testimony as part of Niagara Mohawk Power Corporation's  
6 d/b/a National Grid ("Niagara Mohawk" or the "Company") January 29, 2010  
7 filing, Corrections and Updates testimony submitted on May 3, 2010, and  
8 Rebuttal Testimony filed on August 6, 2010.

9

**10 Q. What is the purpose of your testimony?**

11 A. We are responding to the Supplemental Testimony of the Staff Accounting Panel  
12 dated August 6, 2010. Specifically, we address Staff's comments on certain  
13 employee expenses.

14

**15 Q. Do you sponsor any exhibits?**

16 A. Yes. I sponsor the following exhibit:

**Q. Please explain the Staff Accounting Panel's comments on employee expenses.**

21 A. The Staff Accounting Panel questions the appropriateness of certain employee  
22 expenses identified by the Massachusetts Attorney General's office in Docket No.  
23 10-55. Staff does not propose any specific adjustments relating to these expenses

1           but offers them in support of its \$26 million macro adjustment to Service  
2           Company charges.

3   **Q. Did the Company review the specific employee expenses questioned by Staff?**

4   A. Yes. The Company found that these specific expenses fall into two general  
5       categories.

6       Certain costs relate to expatriate employee expenses that the Company is  
7       removing from the cost of service and the other costs have been identified as  
8       officer and director employee expenses.

9   **Q. Is the Company proposing an adjustment to its revenue requirement?**

10   A. Yes. As shown on Exhibit\_\_(AFS-1S), Summary Sheet, the Company is  
11       removing \$4.266 million from its cost of service. This adjustment consists of  
12       \$3.378 million of expatriate expenses, approximately \$784,000 of officer and  
13       director employee expenses and inflation.

14   **Q. Please explain the Company's review of expatriate expenses.**

15   A. As explained in a letter dated August 12, 2010 to the Administrative Law Judges  
16       in this proceeding, the Company noted that expatriate employee expenses would  
17       be removed from the revenue requirement as those expenses should properly be  
18       borne by shareholders. At this time, the Company is removing expatriate  
19       employee payroll and benefit costs from Niagara Mohawk's cost of service. We  
20       are also removing living and relocation costs that have been identified as  
21       expatriate expenses. Exhibit\_\_(AFS-1S), Summary Sheet and Sheets 1 through 6  
22       include Niagara Mohawk's allocated share of the total expatriate expenses, which  
23       is being removed from the revenue requirement. In total, the Company is

1 removing approximately \$3.4 million of expatriate expenses. Sheets 1 through 6  
2 reflect the total expatriate expenses billed from United Kingdom affiliate  
3 companies or paid through the Company's Expense Report System or Accounts  
4 Payable in the Historic Test Year. The sum of these expenses is reflected on the  
5 Summary Sheet of Exhibit\_\_(AFS-1S).

6 **Q. Why is the Company removing expatriate expenses from Niagara Mohawk's**  
7 **cost of service?**

8 A. Although National Grid believes the expatriate program provides value to all of  
9 its operating companies, it has become apparent from our review that some  
10 expatriate costs were misallocated or should have been charged to shareholders.  
11 In order to prevent future errors, National Grid intends to retain an outside,  
12 independent firm to conduct a comprehensive review of Company policies and  
13 practices to distinguish between the expatriate costs that are appropriate for  
14 inclusion in a cost of service and those that are not and to ensure the proper  
15 allocation of those costs. The Company looks forward to continuing its  
16 relationship of transparency by sharing the lessons learned in that review with the  
17 Commission at the appropriate time. For purposes of this case and in the interests  
18 of expediency, however, we are simply removing expatriate costs as described  
19 above.

20 **Q. Did the Company review the other specific expenses questioned by Staff?**

21 A. Yes. In addition to expatriate expenses, Staff questioned other employee expense  
22 items determined to have been incurred by officers and directors of the Service  
23 Companies or the Massachusetts Gas Companies and charged to Niagara

1 Mohawk. The Summary Sheet of Exhibit   (AFS-1S) reflects expenses that the  
2 Company agrees should be removed from the Company's revenue requirement  
3 totaling \$784,028. The costs we are excluding comprise the employee expenses  
4 for officers and directors of Niagara Mohawk in addition to the employee  
5 expenses for officers and directors of the aforementioned companies. The word  
6 "directors" is used here to refer to those employees who serve on the Board of  
7 Directors of the respective companies. Although the majority of these costs are  
8 properly included in the costs of service, our review has revealed that some  
9 employee expenses were misallocated or should have been charged to  
10 shareholders. Similar to the approach that we plan to take with respect to  
11 expatriate costs, National Grid intends to retain an outside, independent firm to  
12 conduct a comprehensive review of Company policies and practices to distinguish  
13 between officer and director employee expenses that are appropriate for inclusion  
14 in a cost of service and those that are not and to ensure the proper allocation of  
15 those costs. The Company will also share the lessons learned in that review with  
16 the Commission at the appropriate time. For purposes of this case and in the  
17 interests of expediency, however, we are simply removing the employee expenses  
18 for the officers and directors of the companies listed above.

19     **Q. Does this conclude your testimony?**

20     A. Yes.
