Dear Sir/Madam:

The Temporary Operating Authority under which your company has been providing service is expiring.

The Company and the municipality are in a franchise renewal process. The Public Service Commission has determined that it would be in the public interest to grant Temporary Operating Authority so that the Company may continue to provide cable television services during the negotiation of the franchise renewal. The expired franchise sets forth certain rights and obligations of the parties. Part 895 of our cable rules, 16 NYCRR, sets forth franchise standards which must be contained in a cable television franchise presented to the Commission for approval.

This Temporary Operating Authority is granted on condition that during the terms of this authority, the parties shall comply with all the terms and provisions of their expired franchise and all of the provisions set forth in Part 895 of our cable rules. In the event any franchise provision is inconsistent with a provision of Part 895, the provision most beneficial to the subscriber shall be controlling. Furthermore, please be advised that the Department provides consulting and mediation services that could assist the municipality and the company with their negotiations. Please contact John Figliozzi, Chief of the Municipal Assistance Section at (518) 474-2213 for further information concerning consultation services. For information concerning mediation services, you may refer to the Commission's Website at [http://www.dps.state.ny.us/ADR\\_Overview.html](http://www.dps.state.ny.us/ADR_Overview.html) or you may contact Jaclyn A. Brillling, Secretary to the Commission at (518) 474-6530.

Subject to the conditions and understanding expressed herein, Temporary Operating Authority is hereby granted to your company.

By direction of the Commission,

//ORIGINAL SIGNED///

CHAD HUME

Director of Telecommunications
