Case #: 97-V-0097

Dear Sir/Madam:

The Temporary Operating Authority under which Time Warner-Rochester Division has been providing service in the City of Canandaigua expired February 24, 2009.

The Company and the municipality are in a franchise renewal process. The Public Service Commission has determined that it would be in the public interest to grant Temporary Operating Authority so that the Company may continue to provide cable television services during the negotiation of the franchise renewal. The expired franchise sets forth certain rights and obligations of the parties. Part 895 of our cable rules, 16 NYCRR, sets forth franchise standards which must be contained in a cable television franchise presented to the Commission for approval.

This Temporary Operating Authority is granted on condition that during the terms of this authority, the parties shall comply with all the terms and provisions of their expired franchise and all of the provisions set forth in Part 895 of our cable rules. In the event any franchise provision is inconsistent with a provision of Part 895, the provision most beneficial to the subscriber shall be controlling. Furthermore, please be advised that the Department provides consulting and mediation services that could assist the municipality and the company with their negotiations. Contact John Figliozi, Chief of the Municipal Assistance Section at 518-474-2213 for further information concerning consultation services. For information concerning mediation services, you may refer to the Commission's Website at http://www.dps.state.ny.us/ADR_Overview.html or you may contact Jaclyn A. Brillling, Secretary to the Commission at 518-474-6530.

Subject to the conditions and understanding expressed herein, Temporary Operating Authority is hereby granted to Time Warner-Rochester Division for its operations in the City of Canandaigua, said authority to expire August 24, 2009.

By direction of the Commission,

A handwritten signature in black ink, reading "Jaclyn A. Brillling".

MEMORANDUM FILED
RECOMMENDATION APPROVED
February 9, 2009
LETTER SENT AS PER
COPIES ATTACHED TO
SESSION FEB 12 2009
SECRETARY

TO: THE COMMISSION
FROM: OFFICE OF TELECOMMUNICATIONS

SUBJECT: Issuance of Temporary Operating Authorities for the
cable television companies and associated municipal
franchise service areas listed on Appendix 1

RECOMMENDATION: It is recommended that the Secretary be
authorized to notify by letter directive,
the grant of temporary operating authority
to the companies listed on Appendix 1 to
continue the provisions of cable television
service in each listed municipality for an
additional six month period, subject to the
conditions set forth in the memorandum.

The cable television companies listed on Appendix 1 are
providing cable television services within each of the
municipalities listed on Appendix 1. The companies are providing
cable television services in the municipalities shown pursuant to
municipal franchises or Temporary Operating Authorities granted
by the Commission. Those municipal franchises or Temporary
Operating Authorities will expire on the dates shown in the
Appendix. Each of the companies and the associated
municipalities are in the process of negotiating a franchise
renewal and none are expected to complete that process before the
indicated expiration dates.

Staff believes that it is in the public interest to
continue the operating authority of cable television companies
during the negotiation of franchise renewal in order to ensure
the continued provision of cable television services in the
affected municipal franchise areas, and to mitigate the potential
for adverse impacts on the cable companies' ability to continue
service in the absence of formal operating authority.
Accordingly, we recommend that each company listed on Appendix 1
be granted, for each municipality listed, temporary authority to
continue its cable television operations for an additional six
month period. The temporary operating authority should be

granted on the condition that all the terms and conditions of the recently expired franchise will continue to apply during the term of the temporary authority, as well as all of the Franchise Standards set forth in Part 895 of Subtitle 16 of the Official Compilation of Codes, Rules and Regulations of the State of New York. In the event any franchise provision is inconsistent with a provision of Part 895, the provision most beneficial to the subscriber should be controlling.

Respectfully submitted,

JOHN A. FIGLIOZZI
Chief, Franchising and
Municipal Assistance Section
