Dear Madam Secretary:

Light Tower Wireless LLC ("Light Tower Wireless")<sup>1</sup> and Light Tower Fiber LLC ("Light Tower Fiber")<sup>2</sup> (collectively, the "Carriers"), by counsel, hereby notify the Department that the indirect transfer of control of Gridcom and NEES, as described in a Petition previously submitted to the Department,<sup>3</sup> has been effected in connection with a transaction that was consummated on August 15, 2007.

<sup>1</sup> Light Tower Wireless was formerly known as National Grid Communications, Inc. ("Gridcom") prior to the conversion of Gridcom to become a Delaware LLC.

<sup>2</sup> Light Tower Fiber was formerly known as NEES Communications, Inc. ("NEES") prior to the conversion of NEES to become a Delaware LLC.

<sup>3</sup> Petition for Authorization for Transfer of Control, filed by National Grid USA and WGN Acquisition LLC, May 11, 2007, Case 07-C-0569 ("Petition"). Approval of the Petition was deemed granted by operation of law effective August 13, 2007. See Letter from Chad G. No assignment of authorizations, assets, or retail customers occurred as a result of the indirect transfer of control.

This filing is being made to confirm the occurrence of the transaction described in the Petition, and to ensure that the Department is fully informed and that the ownership records maintained by the agency remain current.

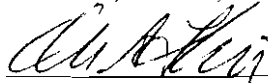

Descriptions contained in the Petition with regard to the nature of the transaction, and the present and future services of the Carriers, remain current and applicable, and therefore are not reiterated in this notice.

Separate transmittal letters are being submitted to the Department on this date, in which Light Tower Wireless and Light Tower Fiber adopt the NY PSC tariffs of Gridcom and NEES, respectively.

Should you have any questions, please contact undersigned counsel directly.

Respectfully submitted,

LUKAS, NACE, GUTIERREZ & SACHS, Chartered
