APPLICATION FOR A CABLE TELEVISION FRANCHISE BY VERIZON NEW YORK INC.

Verizon New York Inc. ("Verizon NY") respectfully submits this application form ("Application") and requests the award of a cable television franchise from the Village of Huntington Bay ("Municipality"). In this application, Verizon NY answers the questions set forth in Title 16, Chapter VIII, Part 894, Section 894.5, of the Official Compilation of Codes, Rules and Regulations of the State of New York, as amended.

(1) A description of the cable television system proposed to be constructed including information regarding (a) channel capacity, including both the total capability of the proposed system and the number of channels to be energized immediately; (b) television and radio broadcast signals which Verizon NY intends to carry on its system initially; (c) the extent and type of any origination cable casting to be undertaken, and the facilities, equipment and staff to be employed therein; and (d) the system layout or design, including where applicable: (i) location of antennae and headends; (ii) plans for a two-way capability including a proposed schedule indication when two-way capability will become available from particular points; (iii) location or origination points and origination facilities; (iv) extent and type of automated services to be provided; and (v) number of channels to be utilized for access cablecasting and the facilities, equipment, staff and other support to be available to access users including access utilization or production costs.

In response to the information requested in subsections 1(a) and (d)(i-ii), please see attached <u>Exhibit 1</u>, "Proposed Service Overview, Product Offers and Architecture." In response to question 1(b), please see the sample channel line up set forth in <u>Exhibit 2</u>, "Verizon FiOS TV – New York Area Sample Channel Lineup."

In response to the information requested in subsection 1(c) and 1(d)(iii), Verizon NY does not currently plan to engage in origination cable casting.

In response to the information sought in subsection 1(d)(v), upon request of the Municipality, Verizon NY intends to provide capacity on its basic service tier for up to one (1) dedicated Public Access Channel, one (1) dedicated Educational Access Channel, and up to one (1) dedicated Government Access Channel.

(2) The terms and conditions under which service is to be provided to educational and governmental entities.

Verizon NY will provide channel capacity to educational and governmental entities under terms and conditions consistent with applicable law, and as may be required by the Municipality.

> Village of Huntington Bay, NY/Verizon New York Inc. Application for a Cable Television Franchise

(3) The terms concerning rates and construction schedules.

Verizon NY's current cable television service rates and available packages are attached as <u>Exhibit 3</u>.

Verizon NY has completed the construction of its fiber to the premises ("FTTP") network to approximately 98% of the households in the Municipality. A full discussion of the construction requirements and central office conversion requirements to bring FTTP and cable television service to the Municipality is contained in <u>Exhibit 1</u>.

On June 15, 2005, the New York Public Service Commission ("NY PSC") "declared that Verizon NY's FTTP upgrade is authorized under its existing state telephone rights because the upgrade furthers the deployment of telecommunications and broadband services, and is consistent with state and federal law and in the public interest." The NY PSC determined that, unlike a company seeking to build an unfranchised cable television system, Verizon NY already has the necessary authority to use the rights-of-way to provide telecommunications service over its existing network. *See Declaratory Ruling on Verizon* <u>Communication, Inc.'s Built-Out of its Fiber to the Premises Network, NY Public</u> <u>Service Commission</u>, Case 05-M-0520/05-M-0247, June 15, 2005 at 4.

Verizon NY will continue to adhere to applicable lawful customary time, place and manner permitting requirements of the Municipality.

(4) An indication of whether Verizon NY will provide service on the same terms and conditions as contained in the existing franchise in effect.

Verizon NY will provide service on terms and conditions consistent with the needs and interests of the Municipality and the level playing field requirement set forth in Title 16, Chapter VIII, Part 895, Section 895.3, of the Official Compilation of Codes, Rules and Regulations of the State of New York, as amended, in that the Verizon NY proposed franchise is comparable in its totality with the incumbent cable television provider's agreement. Verizon NY is applying for a cable television franchise in the Municipality in order to provide the residents of the Municipality with competitive choice.

As more fully described in <u>Exhibit 1</u>, Verizon NY is constructing its FTTP network pursuant to its authority as a common carrier under Title II of the Communications Act of 1934, as amended, and Section 27 of the New York Transportation Corporations Law. For this reason and others, certain terms and conditions may differ between the incumbent cable provider's franchise and Verizon NY's franchise. (5) A statement of Verizon NY's experience in the cable television field including, if applicable, the names and professional experience of the persons or organizations who will be responsible for the construction, installation and operation of the proposed system.

Verizon NY and its predecessor entities have provided telecommunications services in the State of New York for over one hundred years. Consequently, Verizon NY has extensive experience and expertise in the telecommunications field. Generally, the current cable service operation of Verizon NY is similarly based on an extensive history. Overview of Fiber To The Premises (FTTP) Deployment

Fiber to the Premises (FTTP) is a key Verizon corporate initiative to provide voice, cable television and very high speed data services. FTTP uses fiber-optic cable and optical electronics to directly link homes and many businesses to the Verizon network. The fiber network being deployed can support cable television and, where appropriate, Verizon will seek to provide cable service to customers. Key objectives include, but are not limited to, the delivery of higher customer satisfaction, superior performance (network, applications & technical support), and an installation process that surpasses the Cable, DBS and DSL experience today.

- Verizon Communications companies began deploying FTTP in twelve states in 2004. Verizon passed six million homes with FTTP in sixteen states by the end of 2006.
- Cable television services deployment will be a subset that is ancillary to the voice and data FTTP services. Select FTTP-enabled wire centers will be deployed for cable service in the first instance.

Service Overview

The FTTP Network will enable provision of a feature rich and fully competitive cable television offering. The major components of the cable television services which Verizon will offer to consumers will include:

- Basic tier, including local and Educational and Government (EG) channels as requested by and as negotiated with the community
- Expanded Service tiers
- Premium channel tiers
- Pay Per View (PPV)
- HDTV channels
- Digital music channels
- Digital Video Recorder (DVR)

- Interactive programming guide (IPG)
- Inside coax cable wire installation

Product Offers

For residential customers, Verizon will initially offer Broadcast Television, High Definition TV (HDTV), Digital Video Recorders (DVR), Interactive Programming Guide (IPG) and Pay Per View (PPV) Movies and Events. The Broadcast Television offering will consist of both a Basic Service tier and an Expanded Service tier. The Basic Service tier will include local, educational/government (EG) channels and select cable channels. The Expanded Service tier will include all channels carried on the Basic Service tier as well as additional cable channels, premium cable channels, Spanish language channels, international channels, digital music channels, an interactive program guide (IPG), HDTV programming (for subscribers with an HD STB) and PPV programming. Customers will be charged a monthly recurring fee for each set top box (STB) based upon model. The customer will be offered the option to upgrade STBs to include support for HDTV, or a combined HD DVR STB for additional monthly fees.

In addition to organizing and informing the customer of the programming line-up, the system is designed from its outset to be an active two-way system for subscriber interaction, if any, required for the selection or use of cable service. The IPG will support on-screen program control, parental controls, timers, search, and ordering of PPV services. Pay Per View allows subscribers to pay for and watch prescheduled programming events on an on-demand basis. PPV movies or events will be selected from the IPG. Authorization for billing will occur at the time of purchase. Events begin at pre-scheduled intervals (i.e., programming is not immediately available). Customers will purchase PPV either as discrete events or in pre-defined packages.

Service Delivery/Connection Method

Connection Method

At initial deployment, an installation and maintenance (I&M) technician will connect the Optical Network Terminal (ONT) to a central point of demarcation where a cable television I&M technician will make final connections to provide the cable television service. After the installation of the ONT, a cable television field technician will test the existing in-home coaxial cable to determine if it is technically acceptable and will connect the service. If no coaxial cable exists or the coaxial cable is unacceptable, the technician will install wiring to the first cable outlet, and will install new coaxial wiring to other locations identified by the customer at the customer's request and expense. The customer may choose to self-install such wiring, or to obtain inside wiring installation service from a third party or Verizon.

Connection Method – Set Top Box

The technician will have a set top box that will need to be installed near the TV. The technician will connect a coaxial cable from the wall outlet to the set top and another coaxial cable from the set top box to the TV. The technician will also connect the customer's VCR and/or DVD device and check for proper operation. A fee may be charged for non-standard installations involving

multiple components such as surround sound systems or other electronic equipment. This process will be followed for any boxes installed.

When a set top box is installed the technician will call the service center at which point certain services previously ordered by the customer will be activated. A remote command will be issued to the set top box in real time to turn the purchased service(s) on.

Connection Method: - PPV

The set top box provides access to the service. Customers will use their remote control to purchase the programming they desire. Purchases will appear on the monthly bill.

Equipment Changes and Re-Configurations

When a customer changes the in-home configuration (e.g., moving a set top box from one TV to another), the customer will be able to accomplish this change without reconfiguring the set top box.

FTTP System Architecture

End-to-End Architecture

Figure 1 shows the architecture topology for supporting service across multiple market areas. A brief summary of the end-to-end architecture follows. Subsequent sections provide more information on each major component within the planned Verizon FTTP overlay architecture.

Figure 2 shows full build and overlay architecture. FTTP will be built instead of copper facilities in new communities. In existing communities, the existing copper network will continue to serve those customers who have not migrated to the FTTP network. The fiber is deployed from a Central Office location within a wire center area.

Figure 1-High Level End to End Architecture

At the national or regional level, a "super" headend (SHE) (Temple Terrace, Florida with a backup in Bloomington, Illinois) shall serve as the single point of national content aggregation (see Figure 1). All content shall be encoded into MPEG2 streams and transported over nationwide SONET services. In each market where Verizon seeks to offer service, the broadcast cable television traffic is off loaded from the long haul network and terminated at a Video Hub Office (VHO). Network redundancy and route diversity shall extend from the SHE to the VHO.

The VHO serves as the metro or local point of aggregation. It is here that off-air and public, educational, and government (PEG) channels (where appropriate) are combined with the broadcast cable television coming from the SHE. Interactive Program Guides (IPG) shall be controlled from this site, also. The service that exits the VHO shall look like the final product viewed by the end user subscriber.

Cable television traffic is converted to optical signals at the VHO and transported over Verizon's metro area, inter-office facilities (IOF) to Video Serving Offices (VSOs). Voice and high-speed data signals are combined with the cable television at this location for final transport to the subscriber premises over Verizon's FTTP Passive Optical Network (PON).

At the premise, the optical cable television signal is de-multiplexed and converted to an electrical signal, which meets cable television industry standards for cable services. Standard home wiring practices, using coaxial cables, as well as alternative media, shall distribute the signal to cable ready TVs and standard set top boxes.

There will be 24x7 control and surveillance of the cable television platform from a remote location. This Network Operations Center (NOC) will be centrally located and shall be responsible for the operation and maintenance of the Conditional Access System (CAS), which directs the encryption functions performed back at the VHO.

Super Headend (SHE)

A "super" headend (SHE) shall serve as the single point of national content aggregation. At general service availability, Verizon shall deploy a primary SHE and an additional SHE for redundancy.

Both the primary and redundant SHEs will be strategically located to ensure technical and environmental requirements are met.

The key functions of the SHE include:

Content Reception

Signal Processing

Encoding

Network Interface

The majority of cable television sources shall be individual content provider programming. A mix of standard and high definition formats shall be supported. All content shall be encoded into MPEG2 streams, formatted for SONET, and transported via an OC48c to a local point-of-presence (POP) for wide area (national) transport.

Wide Area Transport

In support of the cable television service, Verizon will use OC48c SONET facilities in the POPs serving target cable markets. Where multiple POPs exist within a market, redundancy options shall dictate if a single or multiple POPs shall be designated for supporting the cable television traffic.

In most cases, it is expected that the cable television traffic shall traverse multiple interconnected rings between the SHE and the destination market. Once the cable traffic reaches a POP located in a target market, it will be forwarded to an OC48c SONET interface connected to metro/local SONET facilities. These facilities shall connect the POP to a Video Hub Office (VHO). VHOs are capable of serving multiple communities within a target market. If more than one VHO is required, the metro SONET ring(s) would be deployed to cover multiple sites.

Video Hub Office (VHO)

The VHO serves as the metro or local point of aggregation. The VHO location (Queens, NY) is based on a combination of technical factors, metro fiber/IOF availability, local channel reception characteristics, and municipal regulations (e.g., zoning ordinances).

Under current network design plans, the anticipated functions of the VHO include:

WAN Interface for Cable television Transport

Ad Insertion

PEG Content

Signal Grooming and Multiplexing

Emergency Alert Service

Interactive Program Guide

Conditional Access

Local Content

The VHO shall aggregate three basic sources of content: national broadcast channels, local broadcast channels, and public, educational, & government (PEG) channels. The national content is the traffic sent from the SHE and is delivered via an OC48c SONET interface from the SONETPOP. The local broadcast channels shall be received off-air via antennas or terrestrial fiber transport located at the VHO site. The PEG channels shall be collected via terrestrial connections from each local franchising area (LFA) served by the VHO.

The final collection of content is placed into the RF spectrum between 50 - 870 MHz as either an analog AM-VSB signal or, as part of a digital multiplex, into a 256-QAM modulated carrier. Digital content requiring encryption by the CAS shall also be multiplexed into QAM modulators and combined with other analog and digital carriers. In addition, an out-of-band downstream channel is generated which carries the Interactive Program Guide (IPG), provisioning, and management messages to STBs. The combined RF signal is converted to optics and fed into erbium-doped fiber amplifers (EDFAs) at egress from the VHO. These optical cable television signals are transported on the 1550 nm wavelength of the G.983-specified Enhancement band to Verizon Video Serving Offices (VSOs).

As noted previously, it is intended that the broadcast cable television traffic/service that exits the VHO shall look like the final product viewed by the end user subscriber.

Metro Area Transport

The optical cable television signals coming from the VHO are transported on the 1550 nm wavelength over fiber available within Verizon's inter-office facilities (IOF).

<u>EXHIBIT 1</u> APPLICATION FOR A CABLE TELEVISION FRANCHISE VILLAGE OF HUNTINGTON BAY/VERIZON NEW YORK INC.

Video Serving Office (VSO) & Passive Optical Network (PON)

The Video Serving Office (VSO) is a location within the central office containing FTTP equipment. The VSO that will serve the Village of Huntington Bay is located in the Town of Huntington, New York. If technically feasible or otherwise appropriate, PEG insertion may occur at this location in the network.

The key function of the VSO is to combine Broadcast Cable television into the Voice and High Speed Data FTTP Network.

Once in the VSO, the optical cable television signal is sent through an EDFA and then to a Wave Division Multiplexer (WDM) combiner and splitter, which is used to add the cable signal to the voice and high-speed data signals' wavelength (1490nm) – coming from the Optical Line Terminal (OLT) – together with the cable wavelength onto a single optical source. This optical signal is then sent towards the subscriber premises via a PON. The VSO will also play a role in supporting upstream signals from the customer premises for pay-per-view services. Pay-per-view usage data uses the data service's 1310nm upstream wavelength. The upstream data communications shall be sent back to a subscriber database located in the Operations Center located in the VHO.

Customer Premises

At the premise, an Optical Network Terminal (ONT) de-multiplexes the 1550nm optical signal and simply converts it to a voice, data and cable television electrical signal, which meets cable television industry standards for cable services.

LEGAL AUTHORITY TO CONSTRUCT FIBER TO THE PREMISES

Verizon New York Inc. ("Verizon"), as a common carrier under Title II of the Communications Act of 1934 (the "Act"), is constructing its Fiber To The Premises (FTTP) network as an upgrade to its existing telecommunications network. Verizon has the requisite authority to upgrade its network for enhanced voice and broadband services for the reasons discussed, in part, below.

Verizon has the necessary Federal, state and local authorizations to upgrade its Title II telecommunications network, subject to customary time, place and manner permitting requirements. Specifically, Section 27 of the New York Transportation Corporations Law ("New York Telecom Law") grants Verizon the right to place its facilities upon, over or under any public streets within the State of New York. See New York Tel. Co. v. Town of North Hempstead, 41 N.Y.2d 691, 363 N.E.2d 694 (1977); New York Tel. Co. v. City of Amsterdam, 613 N.Y.S.2d 993, 994 (App. Div. 1994) (stating that Section 27 grants "an unconditional privilege to install, maintain and repair" telephone facilities in public streets).

The Title II services to be provided over Verizon's FTTP network are not subject to Title VI of the Act or Article 11 of the New York State Public Service Law ("New York Cable Law"), which regulate cable television service. Verizon plans to utilize FTTP to offer its customers enhanced voice and broadband data services. While FTTP may give Verizon the future capability of providing video service, the network is not subject to Title VI of the Act or the New York Cable Law (including any construction requirements that may be set forth therein) unless and until the network constitutes a "cable system" as defined in Section 602(7) of the Act or a "cable television system" as defined in Section 212(2) of the New York Cable Law. This is triggered only when cable services, such as video programming, are provided to multiple subscribers within a community. As stated in Section 602(7) the Act, "the term 'cable system' ... does not include ... (C) a facility of a common carrier which is subject, in whole or in part, to the provisions of title II of this Act, except ... to the extent that such facility is used in the transmission of video programming directly to subscribers " (emphasis added) 47 U.S.C. § 522(7)(C). See Nat'l Cable Television Ass'n v. FCC, 33 F.3d 66 (D.C. Cir. 1994) (concluding that the FCC "reasonably interpreted the Act to require that an entity obtain a cable franchise only when that entity selects or provides the video programming to be offered.") Moreover, Section 621(b)(3) of the Act (47 U.S.C. § 541(b)(3)) further specifically prohibits franchising authorities from requiring cable franchises for the provision of telecommunications service or in any way restricting or impeding the provision of such service.

Verizon has the requisite authority as a common carrier under Title II of the Act and Section 27 of the NY Telecom Law to construct its FTTP network. It need not seek supplemental authority to construct the network. However, as provided in Title VI of the Act and the New York Cable Law, a cable franchise would be required prior to Verizon using the FTTP network to provide video programming to multiple subscribers in a local franchise area.

Furthermore, on June 15, 2005, the New York Public Service Commission ruled that Verizon does not need to obtain a cable franchise before constructing its FTTP network. The

<u>EXHIBIT 1</u> APPLICATION FOR A CABLE TELEVISION FRANCHISE VILLAGE OF HUNTINGTON BAY/VERIZON NEW YORK INC.

Commission found that unlike cable companies, Verizon already has the necessary authority under state law to use the public rights-of-way. Thus, the Commission concluded that Verizon has the right to upgrade its telecommunications network to make it capable of providing cable service. See Declaratory Ruling on Verizon Communication, Inc.'s Built-Out of its Fiber to the Premises Network, NY Public Service Commission, Case 05-M-0520/05-M-0247, June 15, 2005.

2.3. Effective Date and Term: This Franchise shall become effective on the date that the NY PSC issues a certificate of confirmation for this Franchise (the "Effective Date"), following its approval by the LFA's governing authority authorized to grant franchises and its acceptance by the Franchisee. The term of this Franchise shall be ten (10) years from the Effective Date unless the Franchise is earlier revoked as provided herein. The Franchisee shall memorialize the Effective Date by notifying the LFA in writing of the same, and by providing a copy of the certificate of confirmation, which notification shall become a part of this Franchise.

> Huntington Bay/Verizon New York Inc. Franchise Agreement/November 2007

2.6.2. The failure of the Franchisee on one or more occasions to exercise a right under this Franchise, the Cable Law or other applicable state or federal law, or to require performance under this Franchise, shall not be deemed to constitute a waiver of such right or a waiver of performance of this Agreement, nor shall it excuse the LFA from performance, unless such right or such performance has been specifically waived in writing.

3.1. Service Area:

3.1.1. Service Area: Subject to the issuance of all necessary permits by the LFA, Franchisee shall offer Cable Service to significant numbers of Subscribers within residential areas of the Service Area and may make Cable Service available to businesses in the Service Area, within twelve (12) months and shall offer Cable Service to all residential areas of the Service Area within five (5) years, of the Effective Date of this Franchise, or, in both instances, such longer period as may be permitted by the Cable Law, except, in accordance with NY PSC rules and regulations: (A) for periods of Force Majeure; (B) for periods of delay caused by the LFA; (C) for periods of delay resulting from Franchisee's inability to obtain authority to access rights-of-way in the Service Area; (D) in areas where developments or buildings are subject to claimed exclusive arrangements with other providers; (E) in areas, developments or buildings where Franchisee cannot gain access after good faith efforts; (F) in areas,

7

Huntington Bay/Verizon New York Inc. Franchise Agreement/November 2007
developments or buildings where the provision of Cable Service is economically infeasible because such provision requires nonstandard facilities which are not available on a commercially reasonable basis; and (G) in areas where the occupied residential household density does not meet the density and other requirements set forth in Sub-Subsection 3.1.1.1. and Section 3.2.

3.1.1.1. Density Requirement: Franchisee shall make Cable Services available to residential dwelling units in all areas of the Service Area where the average density is equal to or greater than thirty-five (35) occupied residential dwelling units per mile as measured in strand footage from the nearest technically feasible point on the active FTTP Network trunk or feeder line. Should, through new construction, an area within the Service Area meet the density requirements after the time stated for providing Cable Service as set forth in Subsection 3.1.1 respectively, Franchisee shall provide Cable Service to such area within twelve (12) months of receiving notice from the LFA that the density requirements have been met.

Availability of Cable Service: Franchisee shall make Cable Service 3.2. available to all residential dwelling units and may make Cable Service available to businesses within the Service Area in conformance with Section 3.1, and Franchisee shall not discriminate between or among any individuals in the availability of Cable Service or based upon the income in a local area. In the areas in which Franchisee shall provide Cable Service, Franchisee shall be required to connect, at Franchisee's expense, other than a standard installation charge, all residential dwelling units that are within one hundred fifty (150) feet of aerial trunk or feeder lines not otherwise already served by Franchisee's FTTP Network. Franchisee shall be allowed to recover, from a Subscriber that requests such connection, the actual costs incurred for residential dwelling unit connections that exceed one hundred fifty (150) feet or are in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile and the actual costs incurred to connect any non-residential dwelling unit Subscriber, provided, however, that Franchisee may seek a waiver of any requirement that it extend service to any party requesting the same in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile if such would not be possible within the limitations of economic feasibility. For underground installations, Franchisee shall charge the Subscriber Franchisee's actual cost. Such costs shall be submitted to said Subscriber in writing before installation is begun.

3.3. Cable Service to Public Buildings: Subject to Section 3.1, Franchisee shall provide, without charge within the Service Area, one service outlet activated for Basic Service to each public school and public library, and such other buildings used for municipal purposes as may be designated by the LFA as provided in **Exhibit A** attached hereto; provided, however, that if it is necessary to extend Franchisee's aerial trunk or feeder lines more than five hundred (500) feet solely to provide service to any such school or public building, the LFA shall have the option either of paying Franchisee's direct costs for such aerial extension in excess of five hundred (500) feet, or of releasing Franchisee from the obligation to provide service to such school or public building. Furthermore, Franchisee shall be permitted to recover, from any school or public building owner entitled to free service, the direct cost of installing, when requested to do so, more than one outlet, or concealed inside wiring, or a service outlet requiring more than five hundred (500) feet of drop cable; provided, however, that Franchisee shall not charge for the provision of Basic Service to the additional service outlets once installed. For underground installations, Franchisee shall charge the recipient Franchisee's actual cost. Such

costs shall be submitted to said recipient in writing before installation is begun. Cable Service may not be resold or otherwise used in contravention of Franchisee's rights with third parties respecting programming. Equipment provided by Franchisee, if any, shall be replaced at retail rates if lost, stolen or damaged.

3.4. Contribution in Aid: Notwithstanding the foregoing, Franchisee shall comply at all times, with the requirements of Section 895.5 of NY PSC rules and regulations.

4. <u>SYSTEM FACILITIES</u>

4.2. *System Characteristics:* During the term hereof Franchisee's Cable System shall meet or exceed the following requirements:

4.2.1. The System shall be designed and operated with an initial analog and digital carrier passband between 50 and 860 MHz and shall provide for a minimum channel capacity of not less than 77 channels on the Effective Date.

4.2.2. The System shall be designed to be an active two-way plant for subscriber interaction, if any, required for the selection or use of Cable Service.

4.3. *Interconnection:* The Franchisee shall design its Cable System so that it may be interconnected with other cable systems in the Franchise Area. Interconnection of systems may be made by direct cable connection, microwave link, satellite, or other appropriate methods.

4.4. *Emergency Alert System:* Franchisee shall comply with the Emergency Alert System ("EAS") requirements of the FCC and the State of New York, including the NY PSC's rules and regulations and the current New York EAS Plan, in order that emergency messages may be distributed over the System.

4.5. *Parental Control:* Upon request by any Subscriber, and where technologically feasible, the Franchisee shall provide such requesting Subscriber with a parental control device at no additional charge. Such device will, at a minimum, offer as an option that a Person ordering programming must provide a personal identification number or other means provided by the Franchisee only to a Subscriber. Provided, however, that the Franchisee shall bear no responsibility for the exercise of parental controls and shall incur no liability for any Subscriber's or viewer's exercise or failure to exercise such controls.

5. **<u>PEG SERVICES</u>**

5.1. PEG Set Aside:

9

5.1.1. In order to ensure universal availability of public, educational and government programming, Franchisee shall provide capacity on its Basic Service tier for up to one (1) dedicated Public Access Channel^{*}, one (1) dedicated Educational Access Channel, and up to one (1) dedicated Government Access Channel (collectively, "PEG Channels").

5.1.2. The programming to be carried on each of the PEG Channels set aside by Franchisee is reflected in <u>Exhibit C</u> attached hereto. The LFA hereby authorizes Franchisee to transmit such programming within and without LFA jurisdictional boundaries. Franchisee specifically reserves the right to make or change channel assignments in its sole discretion. If a PEG Channel provided under this Article is not being utilized by the LFA, Franchisee may utilize such PEG Channel, in its sole discretion, until such time as the LFA elects to utilize the PEG Channel for its intended purpose. In the event that the LFA determines to use PEG capacity, the LFA shall provide Franchisee with prior written notice of such request in accordance with NY PSC rules and regulations.

5.1.3. Franchisee shall provide the technical ability to play back prerecorded programming provided to Franchisee consistent with this Section. Franchisee shall transmit programming consistent with the dedicated uses of PEG Access Channels. Franchisee shall comply at all times with the requirements of Section 895.4 of the NY PSC rules and regulations.

5.2. *PEG Grant:* The Franchisee shall pay a one-time PEG grant to the LFA in an amount of Five Thousand Dollars (\$5000.00) (the "PEG Grant"), which shall be payable within sixty (60) days of the Effective Date. Such grant shall be used solely by the LFA for PEG access equipment, including, but not limited to, studio and portable production equipment, editing equipment and program playback equipment, for renovation or construction of PEG access facilities and for any other cable related need that the LFA may ascertain.

5.3. *Franchise Grant:* The Franchisee shall pay a one-time Franchise grant to the LFA in the amount of Three Thousand and 00/100 Dollars (\$3,000.00) (the "Franchise Grant"), which shall be payable within sixty (60) days of the Effective Date.

5.4. Indemnity for PEG: To the extent that the LFA utilizes its PEG Access Channels or facilities, the LFA shall require all local producers and users of any of the PEG facilities or Channels to agree in writing to authorize Franchisee to transmit programming consistent with this Agreement and to defend and hold harmless Franchisee and the LFA from and against any and all liability or other injury, including the reasonable cost of defending claims or litigation, arising from or in connection with claims for failure to comply with applicable federal laws, rules, regulations or other requirements of local, state or federal authorities; for claims of libel, slander, invasion of privacy, or the infringement of common law or statutory copyright; for unauthorized use of any trademark, trade name or service mark; for breach of contractual or other obligations owing to third parties by the producer or user; and for any other injury or damage in law or equity, which result from the use of a PEG facility or Channel. In the

^{*} Subject to applicability.

event that the LFA utilizes its PEG Access Channels or facilities, the LFA shall establish rules and regulations for use of PEG facilities, consistent with, and as required by, 47 U.S.C. §531.

5.5. *Recovery of Costs:* To the extent permitted by federal law, the Franchisee shall be allowed to recover any costs of the PEG Grant, the Franchise Grant and any other costs arising from the provision of PEG services from Subscribers and to include such costs as a separately billed line item on each Subscriber's bill. Without limiting the forgoing, if allowed under state and federal laws, Franchisee may externalize, line-item, or otherwise pass-through interconnection costs to Subscribers.

6. **FRANCHISE FEES**

6.1. Payment to LFA: Franchisee shall pay to the LFA a Franchise Fee of five percent (5%) of annual Gross Revenue (the "Franchise Fee"). In accordance with Title VI, the twelve (12) month period applicable under the Franchise for the computation of the Franchise Fee shall be a calendar year. Such payments shall be made no later than forty-five (45) days following the end of each calendar quarter. Franchisee shall be allowed to submit or correct any payments that were incorrectly omitted, and shall be refunded any payments that were incorrectly omitted, and shall be refunded any payments that were (90) days following the close of the calendar year for which such payments were applicable.

6.2. Supporting Information: Each Franchise Fee payment shall be accompanied by a brief report prepared by a representative of Franchisee showing the basis for the computation.

Audit: Subject to the confidentiality requirements set forth in Section 7.1 6.3. of this Franchise and the LFA's imposition of comparable obligations to those contained in this Section 6.3 on all cable service providers in the Service Area, Franchisee shall be responsible for making available to the LFA for inspection and audit, all records necessary to confirm the accurate payment of Franchise Fees, whether the records are held by the Franchisee, an Affiliate, or any other entity that collects or receives funds related to the Franchisee's Cable Services operation in the LFA subject to the payment of Franchise Fees under this Agreement, including, by way of illustration and not limitation, any entity that sells advertising on the Franchisee's behalf. Franchisee shall maintain such records for six (6) years, provided that, if the LFA commences an audit within that six (6) year period, Franchisee shall continue to maintain such records for the duration of any audit in progress at the end of that six (6) year period. The LFA shall conduct all audits expeditiously, and neither the LFA nor Franchisee shall unreasonably delay the completion of an audit. The LFA's audit expenses shall be borne by the LFA unless the audit determines that the payment to the LFA should be increased by five percent (5%) or more in the audited period, in which case the reasonable and customary costs of the audit, together with any additional amounts due to the LFA as a result of such audit, shall be paid by Franchisee to the LFA within sixty (60) days following written notice to Franchisee by the LFA of the underpayment, which notice shall include a copy of the audit report; provided, however, that Franchisee's obligation to pay or reimburse the LFA's audit expenses shall not exceed an aggregate of Six Thousand Dollars (\$6000.00). If re-computation results in additional revenue to be paid to the LFA, such amount shall be subject to interest charges computed from the due date, at the then-current rate set forth in Section 5004 of the New York Civil Practice Law and Rules

(which as of the date of execution of this Agreement is nine percent (9%) per annum) per annum during the period such unpaid amount is owed. If the audit determines that there has been an overpayment by Franchisee, the Franchisee may credit any overpayment against its next quarterly payment. Said audit shall be conducted by an independent third party and no auditor so employed by the LFA shall be compensated on a success based formula, e.g., payment based on a percentage of an underpayment, if any. The LFA shall not conduct an audit more frequently than once every three (3) years.

6.4. Limitation on Franchise Fee Actions: The parties agree that the period of limitation for recovery of any Franchise Fee payable hereunder shall be six (6) years from the date on which payment by Franchisee is due, but cannot exceed the date of records retention reflected in Section 7.

6.5. Bundled Services: If Cable Services subject to the Franchise Fee required under this Article 6 are provided to Subscribers in conjunction with Non-Cable Services, the Franchise Fee shall be applied only to the value of the Cable Services, as reflected on the books and records of Franchisee in accordance with FCC or state public utility regulatory commission rules, regulations, standards or orders. The parties agree that tariffed telecommunication service rates that cannot be discounted by law or by regulation are to be excluded from the bundled discount allocation basis. Where pro rata allocation of bundled discounts is commercially practical for any bundled offering, the Franchisee will allocate the bundled discount such that the discount allocated to Cable Service revenues will not exceed the amount which would be allocated to Cable Service revenue on a pro rata basis.

7. <u>REPORTS AND RECORDS</u>

Open Books and Records: Upon reasonable written notice to the 7.1. Franchisee and with no less than thirty (30) business days written notice to the Franchisee, the LFA shall have the right to inspect Franchisee's books and records pertaining to Franchisee's provision of Cable Service in the Franchise Area at any time during Normal Business Hours and on a nondisruptive basis, as are reasonably necessary to ensure compliance with the terms of this Franchise. Such notice shall specifically reference the section or subsection of the Franchise which is under review, so that Franchisee may organize the necessary books and records for appropriate access by the LFA. Franchisee shall not be required to maintain any books and records for Franchise compliance purposes longer than six (6) years. Notwithstanding anything to the contrary set forth herein, Franchisee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose any of its or an Affiliate's books and records not relating to the provision of Cable Service in the Service Area. The LFA shall treat any information disclosed by Franchisee as confidential and shall only disclose it to employees, representatives, and agents thereof who have a need to know, or in order to enforce the provisions hereof. Franchisee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. §551.

7.2. Records Required: Franchisee shall at all times maintain:

7.2.1. Records of all written complaints for a period of six (6) years after receipt by Franchisee. The term "complaint" as used herein refers to complaints about any aspect of the Cable System or Franchisee's cable operations, including, without limitation, complaints about employee courtesy. Complaints recorded will not be limited to complaints requiring an employee service call;

7.2.2. Records of outages for a period of six (6) years after occurrence, indicating date, duration, area, and the number of Subscribers affected, type of outage, and cause;

7.2.3. Records of service calls for repair and maintenance for a period of six (6) years after resolution by Franchisee, indicating the date and time service was required, the date of acknowledgment and date and time service was scheduled (if it was scheduled), and the date and time service was provided, and (if different) the date and time the problem was resolved;

7.2.4. Records of installation/reconnection and requests for service extension for a period of six (6) years after the request was fulfilled by Franchisee, indicating the date of request, date of acknowledgment, and the date and time service was extended; and

7.2.5. A map showing the area of coverage for the provisioning of Cable Services and estimated timetable to commence providing Cable Service.

7.3. System-Wide Statistics: Any valid reporting requirement in the Franchise may be satisfied with system-wide statistics, except those related to Franchise Fees and consumer complaints.

7.4. **PERFORMANCE REVIEW:** The LFA may, at its discretion but not more than once per twelve-month period, hold an informal performance evaluation session (the "Performance Review") that is not open to the public to review Franchisee's compliance with the terms and conditions of this Franchise. The information disclosed to the LFA by the Franchisee at the Performance Review shall be treated by the LFA as confidential. The LFA shall provide Franchisee with at least thirty (30) days prior written notice of the Performance Review to be held at a mutually agreeable time. Franchisee shall have the opportunity to participate in and be heard at the Performance Review. Within thirty (30) days after the conclusion of the Performance Review, the LFA shall provide Franchisee written documentation ("Performance Review Report") setting forth its determinations regarding Franchisee's compliance with the terms and conditions of this Franchise. The Performance Review Report shall not contain any confidential information disclosed by the Franchisee during the Performance Review.

8. **INSURANCE AND INDEMNIFICATION**

8.1. Insurance:

8.1.1. Franchisee shall maintain in full force and effect, at its own cost and expense, during the Franchise Term, the following insurance coverage:

8.1.1.1. Commercial General Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for property damage and bodily injury. Such insurance shall cover the construction, operation and maintenance of the Cable System, and the conduct of Franchisee's Cable Service business in the LFA.

8.1.1.2. Automobile Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for bodily injury and property damage coverage.

8.1.1.3. Workers' Compensation Insurance meeting all legal requirements of the State of New York.

8.1.1.5. Excess liability or umbrella coverage of not less than ten million dollars (\$10,000,000).

8.1.2. The LFA shall be designated as an additional insured under each of the insurance policies required in this Article 8 except Worker's Compensation Insurance, Employer's Liability Insurance, and excess liability or umbrella coverage.

8.1.3. Each of the required insurance policies shall be noncancellable except upon thirty (30) days prior written notice to the LFA. Franchisee shall not cancel any required insurance policy without submitting documentation to the LFA verifying that the Franchisee has obtained alternative insurance in conformance with this Agreement.

8.1.4. Each of the required insurance policies shall be with sureties qualified to do business in the State of New York, with an A- or better rating for financial condition and financial performance by Best's Key Rating Guide, Property/Casualty Edition.

8.1.5. Upon written request, Franchisee shall deliver to the LFA Certificates of Insurance showing evidence of the required coverage.

8.2. Indemnification:

8.2.1. Franchisee agrees to indemnify the LFA, the Village of Huntington Bay Board of Trustees, its officers, its agents or employees for, and hold it harmless from, all liability, damage, cost or expense arising from claims of injury to persons or damage to property occasioned by reason of any conduct undertaken pursuant to the Franchise, or by reason of any suit or claim for royalties, programming license fees, or infringement of patent rights arising out of Franchisee's provision of Cable Services over the Cable System other than PEG facilities and Channels, provided that the LFA shall give Franchisee written notice of the LFA's request for indemnification within ten (10) days of receipt of a claim or action pursuant to this Subsection. Notwithstanding the foregoing, Franchisee shall not indemnify the LFA for any damages, liability or claims resulting from the willful misconduct or negligence of the LFA, its officers, agents, employees, attorneys, consultants, independent contractors or third parties or for any

activity or function conducted by any Person other than Franchisee in connection with PEG Access or EAS.

8.2.2. With respect to Franchisee's indemnity obligations set forth in Subsection 8.2.1, Franchisee shall provide the defense of any claims brought against the LFA by selecting counsel of Franchisee's choice to defend the claim, subject to the consent of the LFA, which shall not be unreasonably withheld. Nothing herein shall be deemed to prevent the LFA from cooperating with the Franchisee and participating in the defense of any litigation by its own counsel at its own cost and expense, provided however, that after consultation with the LFA, Franchisee shall have the right to defend, settle or compromise any claim or action arising hereunder, and Franchisee shall have the authority to decide the appropriateness and the amount of any such settlement. In the event that the terms of any such proposed settlement includes the release of the LFA and the LFA does not consent to the terms of any such settlement or compromise, Franchisee shall not settle the claim or action but its obligation to indemnify the LFA shall in no event exceed the amount of such settlement.

8.2.3. The LFA shall hold harmless and defend Franchisee from and against and shall be responsible for damages, liability or claims resulting from or arising out of the willful misconduct or negligence of the LFA.

8.2.4. The LFA shall be responsible for its own acts of willful misconduct, negligence, or breach, subject to any and all defenses and limitations of liability provided by law. The Franchisee shall not be required to indemnify the LFA for acts of the LFA which constitute willful misconduct or negligence on the part of the LFA, its officers, employees, agents, attorneys, consultants, independent contractors or third parties.

9. TRANSFER OF FRANCHISE

9.1. Transfer: Subject to Section 617 of the Communications Act, 47 U.S.C. § 537, as amended, no Transfer of the Franchise shall occur without the prior consent of the LFA, provided that such consent shall not be unreasonably withheld, delayed or conditioned. In considering an application for the Transfer of the Franchise, the LFA may consider the applicant's: (i) technical ability; (ii) financial ability; (iii) good character; and (iv) other qualifications necessary to continue to operate the Cable System consistent with the terms of the Franchise. No such consent shall be required, however, for a transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Franchisee in the Franchise or Cable System in order to secure indebtedness, or for transactions otherwise excluded under Section 1.31 above.

10. RENEWAL OF FRANCHISE

10.1. Governing Law: The LFA and Franchisee agree that any proceedings undertaken by the LFA that relate to the renewal of this Franchise shall be governed by and comply with the provisions of Section 12.11 below, the Cable Law and Section 626 of the Communications Act, 47 U.S.C. § 546, as amended.

10.2. Needs Assessment: In addition to the procedures set forth in Section 626 of the Communications Act, the LFA shall notify Franchisee of all of its assessments regarding the identity of future cable-related community needs and interests, as well as the past performance of Franchisee under the then current Franchise term. Such assessments shall be provided to Franchisee by the LFA promptly so that Franchisee will have adequate time to submit a proposal under 47 U.S.C. § 546 and complete renewal of the Franchise prior to expiration of its term.

10.3. Informal Negotiations: Notwithstanding anything to the contrary set forth herein, Franchisee and the LFA agree that at any time during the term of the then current Franchise, while affording the public appropriate notice and opportunity to comment, the LFA and Franchisee may agree to undertake and finalize informal negotiations regarding renewal of the then current Franchise and the LFA may grant a renewal thereof.

10.4. Consistent Terms: Franchisee and the LFA consider the terms set forth in this Article 10 to be consistent with the express provisions of 47 U.S.C. § 546 and the Cable Law.

11. ENFORCEMENT AND TERMINATION OF FRANCHISE

11.1. Notice of Violation: If at any time the LFA believes that Franchisee has not complied with the terms of the Franchise, the LFA shall informally discuss the matter with Franchisee. If these discussions do not lead to resolution of the problem in a reasonable time, the LFA shall then notify Franchisee in writing of the exact nature of the alleged noncompliance in a reasonable time (for purposes of this Article, the "Noncompliance Notice").

11.2. Franchisee's Right to Cure or Respond: Franchisee shall have sixty (60) days from receipt of the Noncompliance Notice to: (i) respond to the LFA, if Franchisee contests (in whole or in part) the assertion of noncompliance; (ii) cure such noncompliance; or (iii) in the event that, by its nature, such noncompliance cannot be cured within such sixty (60) day period, initiate reasonable steps to remedy such noncompliance and notify the LFA of the steps being taken and the date by which Franchisee projects that it will complete cure of such noncompliance. Upon cure of any noncompliance, the LFA shall provide written confirmation that such cure has been effected.

11.3. *Public Hearing*: The LFA shall schedule a public hearing if the LFA seeks to continue its investigation into the alleged noncompliance (i) if Franchisee fails to respond to the Noncompliance Notice pursuant to the procedures required by this Article, or (ii) if Franchisee has not remedied the alleged noncompliance within sixty (60) days or the date projected pursuant to Section 11.2(iii) above. The LFA shall provide Franchisee at least sixty (60) business days prior written notice of such public hearing, which will specify the time, place and purpose of such public hearing, and provide Franchisee the opportunity to be heard.

11.4. *Enforcement*: Subject to Section 12.11 below and applicable federal and state law, in the event the LFA, after the public hearing set forth in Section 11.3, determines that Franchisee is in default of any provision of this Franchise, the LFA may:

11.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or

11.4.2. Commence an action at law for monetary damages or seek other equitable relief; or

11.4.3. In the case of a substantial noncompliance with a material provision of this Franchise, seek to revoke the Franchise in accordance with Section 11.5.

11.5. Revocation: Should the LFA seek to revoke this Franchise after following the procedures set forth above in this Article, including the public hearing described in Section 11.3, the LFA shall give written notice to Franchisee of such intent. The notice shall set forth the specific nature of the noncompliance. The Franchisee shall have ninety (90) days from receipt of such notice to object in writing and to state its reasons for such objection. In the event the LFA has not received a satisfactory response from Franchisee, it may then seek termination of the Franchise at a second public hearing. The LFA shall cause to be served upon the Franchisee, at least thirty (30) business days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to revoke the Franchise.

11.5.1. At the designated public hearing, Franchisee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the LFA, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. A complete verbatim record and transcript shall be made of such hearing.

11.5.2. Following the second public hearing, Franchisee shall be provided up to thirty (30) days to submit its proposed findings and conclusions to the LFA in writing and thereafter the LFA shall determine (i) whether an event of default has occurred under this Franchise; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured or will be cured by the Franchisee. The LFA shall also determine whether it will revoke the Franchise based on the information presented, or, where applicable, grant additional time to the Franchise to effect any cure. If the LFA determines that it will revoke the Franchise, the LFA shall promptly provide Franchisee with a written determination setting forth the LFA's reasoning for such revocation. Franchisee may appeal such written determination of the LFA to an appropriate court, which shall have the power to review the decision of the LFA *de novo*. Franchisee shall be entitled to such relief as the court finds appropriate. Such appeal must be taken within sixty (60) days of Franchisee's receipt of the written determination of the LFA.

11.5.3. The LFA may, at its sole discretion, take any lawful action that it deems appropriate to enforce the LFA's rights under the Franchise in lieu of revocation of the Franchise.

11.6. Abandonment of Service: Franchisee shall not abandon any Cable Service or portion thereof without the LFA's prior written consent as provided in the Cable Law.

The Honorable Herb Morrow Village of Huntington Bay 224 Vineyard Road Huntington Bay, NY 11743

Dear Mayor Morrow:

I respect and thank you and those who negotiated on behalf of Huntington Bay for your determined efforts in reaching this high point in the franchise process. The results are commendable. The Village of Huntington Bay Can Advance New York's Broadband Revolution.

Favorable action on Verizon's proposed cable franchise agreement positions Huntington Bay to be among the first group of communities in New York to open the doors to the robust competition underway in New York's television and video marketplace.

A win for the community -- and its residents.

Benefits to the community: The competitive cable TV franchise agreement under consideration will deliver:

• **Homebuyers who actively seek out Huntington Bay** – Fiber to the home has become an important criterion to customers in the housing market. In communities where Verizon has deployed its fiber optic network, homebuyers favor properties served by it.

- Competitive Consumer Prices Cable rates increase less in places where cable operators face real wireline competition.
 - According to the FCC, rates for basic and expanded basic cable TV service rose by about 5% in 2005, to \$43. Those rates are up 93% over the past decade.
 - The remedy? Competition! The FCC's December 2006 report shows that in areas where there is land-based competition like Verizon FiOS TV, prices are 17% below average.
 - And in areas where Verizon is offering FiOS TV, Cablevision has offered freebies, like free DVR service or free HBO, and steep discounts to keep customers from disconnecting. And they're offering new customers the triple play bundle for \$89.95 monthly with a one year contract. It's amazing what a little competition can do for consumers!

The Village of Huntington Bay is among the first.

Deployment Commitment: Huntington Bay is among the first communities in New York to benefit from Verizon's fiber-to-the-premises (FTTP) initiative. Today, this network offers Huntington Bay the largest ever voice, data, and video pipeline into the home, resulting in clearer, more reliable voice connections and lightning-fast Internet connections - far faster than the most powerful cable modem connections.

Personnel and Resource Commitment: Verizon has hired new full-time employees and contractors to deliver fiber to the home in the area.

Quality Commitment: Verizon is delivering the best video offering on the market to downstate New York – and intends to do the same for the residents of Huntington Bay.

Broadband. The Village of Huntington Bay has a lot riding on it.

More Choices. Right Before Your Eyes.

Top 10 Reasons Why New Yorkers Want FiOS TV

- **10** It's affordable. FiOS TV is priced to compete. And that's important. The FCC has found that cable television rates have increased 93 percent over the last decade.
- **9** It's state-of-the-art. Verizon's programming rides over an all-digital fiber-optic network to the home with the fastest connections available in the industry.
- 8 It's in demand. FiOS TV was available to about 2.4 million homes at the end of 2006, and the company expects to attract 3-4 million customers by 2010.
- 7 It comes with other great services. Customers in parts of our service territory are surfing the web at up to 50 Mbps using FiOS Internet Service. Customers also tell us that phone calls placed over our FiOS fiber optic network are clearer than ever.
- 6 It's future proof. The network has enough capacity for the most demanding consumers today and plenty more for applications still on the drawing board.
- 5 Lots of HDTV. There's nearly unlimited highdefinition channel capacity on the FiOS TV network. FiOS TV customers today have access to twice as many HD channels as many cable providers.
- **4** It's diverse. FiOS TV offers one of the most diverse and exciting multicultural channel lineups in the industry.
- 3 Lots of channels. Verizon's channel lineup offers more than 400 total channels, with more on the way.
- 2 It's better. Our analog and digital television signals travel over a pipeline far more robust than cable's. Cablevision and other providers must add voice and data service to their pipeline too, leading to a tradeoff between Internet speeds or enhancing cable TV service.
- **1** It's from Verizon. We offer the most advanced and reliable network in the country along with a legacy of providing outstanding service in New York for more than a century.

Competition Works!

You get to choose which company to use for your wireline or wireless phone service. You get to choose your Internet Service Provider. You should have the same freedom of choice for cable TV. It's choice and competition that benefit you the most.

When a true wireline television competitor challenges cable, prices for basic and expanded basic cable TV service are 17% below average. (Source: FCC Report on Cable Industry Prices, Dec 2006)

Delaying video entry by one year would cost New Yorkers \$458 million in lost consumer savings from video services alone, and these losses increase with each year of delay. (Source: Phoenix Center Policy Bulletin No. 13, Jan 2006)

Incumbent cable companies have responded with service price cuts of 28 - 42% in some areas where FiOS TV is available. (Source: Bank of America Equity Research: Consumer Wireline Services Pricing, Jan 2006)

Support change. Let's bring true cable TV competition to New York now – not years from now. Let your voice be heard. Urge your local elected officials to vote "YES" in favor of TV choice and competition!

-----Original Message-----From: Waiters, Katrina C. Sent: Tuesday, November 20, 2007 1:52 PM To: 'MSM1218M@aol.com' Cc: maria.d.silveira@verizon.com Subject: Verizon Franchise Agreement

Mara,

Following our brief conversation and my earlier emails, I am forwarding to you <u>Section 895.4</u> of the NY Public Service Commissions rules and regulations which address the public, educational and governmental (PEG) access. My agreement to revise Section 5.4 was improper and unauthorized as the revised text is clearly and abundantly contrary to the law.

Specifically, **subsection** (c)(1) requires that the public access channel shall (meaning must) be operated and administered by Verizon by default (as the cable operator) <u>unless and until</u> the Village decides to operate and administer the public access channel for themselves.

As described last night, Verizon's current policy is to administer the public access channel and we provide all of the written indemnification forms for any user of the public access channel. The FiOS website has a detailed manual which includes rules and guidelines for public access users as well as the required forms. The Village is not required under the agreement to assume any responsibility or liability for the public access channel.

In contrast, **subsection** (c)(2) requires that the educational and governmental access channel shall (meaning must) be operated and administered by the Village.

Therefore, here is what the text of Section 5.4 of the Verizon Franchise Agreement would look like (revision is underlined):

"To the extent that the LFA utilizes its PEG Access Channels or facilities, the <u>LFA may</u> require all local producers and users of any PEG facilities of Channels to agree in writing to authorize Franchisee to transmit programming consistent with this Agreement and to defend and hold harmless Franchisee and the LFA..." Verizon will continue to administer the public access channel content, until such time that the Village affirmatively chooses to take on that responsibility. Also, if the Village chooses to have educational and governmental access channels, it has the choice of whether to require the written forms from producers and users or not.

Finally, we are still preparing to file the Huntington Bay application and agreement with the PSC today and your immediate attention to this matter is greatly appreciated. Please call me as soon as you can. My Verizon supervising attorney, Maria Silveira, will join us on the call.

Regards,

Katrina Waiters, Esq. Corporate Services

§ 895.3 Level playing field.

Historical Note

Sec. filed April 4, 2005 eff. April 4, 2005

§ 895.4 Minimum standards for public, educational and governmental (PEG) access.

(a) Definitions. (1) The term public access channel means a channel designated for noncommercial use by the public on a first-come, first-served, nondiscriminatory basis.

(2) The term *educational access channel* means a channel designated for noncommercial use by school districts and not-for-profit educational institutions chartered or licensed by the New York State Education Department or Board of Regents.

(3) The term government access channel means a channel designated for noncommercial use by municipal, county and State government, or agencies thereof.

(4) The term public, educational, or governmental (PEG) access facilities means:

(i) channel capacity designated for noncommercial public, educational or governmental use; and

(ii) facilities and equipment for the noncommercial use of such channel capacity.

(5) The term *local use* means use by residents of the State of New York including school districts and not-for-profit educational institutions and municipal, county and State governments, or agencies thereof.

(6) The term access cablecast day means a day or part thereof during which public, educational or governmental access facilities are available for PEG use.

(b) Designation of channels. Every cable television franchisee shall designate channel capacity for PEG access as follows:

04-15-2005

4650.27 Public Service

(1) The franchisee of a cable television system with a channel capacity of 36 or more channels shall designate (i) at least one full-time activated channel for public access use; (ii) at least one full-time activated channel for educational and governmental use; and (iii) one additional full-time activated channel for educational/governmental use whenever the first channel so designated shall have been used for such educational and governmental programming on the average of at least 12 hours per day during any 90-day period; provided, however, that the calculation of such average shall not include any day when the unavailability of PEG access facilities precludes achieving such programming level. In the event that two channels for educational and governmental use are required by this subdivision, one channel shall be designated the educational access channel and one channel shall be designated the governmental access channel and one channel may be used for either purpose if necessary to satisfy the demand for channel time.

(2) The franchisee of a cable television system with a channel capacity less than 36 channels shall designate at least one full-time activated channel for public, educational and governmental use.

(c) Administration and use. The use of the channel capacity for PEG access shall be administered as follows:

(1) The public access channel shall be operated and administered by the entity designated by the municipality or, until such designation is made, by the cable television franchisee; provided, however, that the municipality may designate such entity at any time throughout the term of a franchise.¹

(2) The educational and governmental access channel shall be operated and administered by a committee or a commission appointed by local government and shall include appropriate representation of local school districts within the service area of the cable television system and may include for purposes of coordination an employee or representative of the cable television franchisee.²

(3) The entity responsible for administering and operating the public access channel shall provide notice to the general public of the opportunity to use such channel which notice shall include:

(i) periodic messages transmitted on such channel; and

(ii) written notice to subscribers at least annually.

Notices shall include the name, address and telephone number of the entity to be contacted for use of the channel. All PEG access programming shall be identified as such.

(4) Channel time shall be scheduled on the public access channel by the entity responsible for the administration thereof on a first-come, first-served, nondiscriminatory basis.

(5) Local use of educational and governmental access channels shall have preferred status in the event of competing requests for channel time. Priority may be afforded to local governments within the service area of the system.

(6) Channel time for PEG access programming shall be without charge to the user.

(7) The designation of PEG access facilities shall include the provision by the cable television franchisee of the technical ability to play back prerecorded programming and to transmit programming information consistent with the designated uses of PEG access channels.

(8) The cable television franchisee shall not exercise any editorial control over any public, educational or governmental use of channel capacity designated for PEG purposes provided, however, that this paragraph shall not be applied to prevent a cable television company from taking such measures as may be authorized by Federal or State law to prohibit obscenity or other content unprotected by the First Amendment of the United States Constitution.

¹If a single public access channel is shared by two or more municipalities, the joint designation of a single entity is accuraged.

²Where an educational or a governmental channel is shared by more than one school district or local government or **com**bination thereof, administration of such channel(s) on a cooperative basis is encouraged.

4650.28 Public Service

04-15-2005

(9) A municipality shall not exercise any editorial control over any use by the public of a public access channel except as may be permitted by law.

(10) The entity responsible for the administration of a public access channel shall maintain a record of the use of such channel which shall include the names and addresses of all persons using or requesting the use of any such channel and which record shall be available for public inspection for a minimum of two years.

(11) Channels designated for PEG use shall be included in the lowest level of service offered by the cable television franchisee, provided, however, if the number of PEG channels exceeds the minimum number of channels required by this Part, then the cable television franchisee and the local franchising authority may agree to carriage of additional PEG channels on a tier other than the lowest level of service; where a system does not include sufficient unused channel capacity to accommodate a second educational/governmental access channel resulting from the operation of subdivision (b) of this section, the cable television franchisee may elect one time to defer the obligation to provide such additional channel until additional channel capacity becomes available.

(12) A cable television franchisee shall be permitted to use time on one or more PEG access channels whenever there are no blank channels available on the same level of service which includes the PEG channel(s) and whenever such PEG channel(s) is not scheduled for use at least 72 hours in advance of such time or times desired by the cable television franchisee; provided that any use of such PEG channel(s) by the franchisee shall at all times be subordinate to designated PEG use and shall terminate or be preempted by PEG programming scheduled at least 72 hours in advance. All nonaccess programming on PEG channels shall be identified as such by an appropriate announcement made prior to and following each nonaccess use. Notwithstanding the foregoing, at such time as any PEG channel on a cable television system with a channel capacity in excess of 40 channels has been programmed for a daily average of eight hours or 50 percent of the hours of access cablecast days, whichever is less, during any 90-day period, use of such channel by the cable television franchisee shall be suspended for such time as such minimum PEG use of such channel is maintained.

(d) Applicability. (1) Subdivisions (a), (c) and (f) of this section shall apply to the use of channel capacity designated for PEG access as of September 9, 1990.

(2) The minimum channel designation requirements in subdivision (b) of this section shall be required by, and shall be a condition to, the exercise of every franchise and certificate of confirmation granted or renewed after September 9, 1990.

(3) Notwithstanding the foregoing, nothing contained herein shall impair the enforcement of any provision of any franchise in effect on September 9, 1990 concerning the designation and use of channel capacity, facilities and equipment for PEG access or otherwise diminish the obligations of a cable television franchisee with respect to PEG access.

(e) General. Any cable television franchise may include additional provisions concerning the designation and use of public, educational and governmental access facilities as follows:

(1) a provision specifying facilities and equipment to be made available by the franchisee for use in connection with the designated PEG channels; and

(2) any other provision concerning the designation and use of channel capacity for public, educational and governmental access consistent with Federal and State law.

2.6.2. The failure of the Franchisee on one or more occasions to exercise a right under this Franchise, the Cable Law or other applicable state or federal law, or to require performance under this Franchise, shall not be deemed to constitute a waiver of such right or a waiver of performance of this Agreement, nor shall it excuse the LFA from performance, unless such right or such performance has been specifically waived in writing.

3. **PROVISION OF CABLE SERVICE**

3.1. *Service Area*:

3.1.1. Service Area: Subject to the issuance of all necessary permits by the LFA, Franchisee shall offer Cable Service to significant numbers of Subscribers within residential areas of the Service Area and may make Cable Service available to businesses in the Service Area, within twelve (12) months and shall offer Cable Service to all residential areas of the Service Area within five (5) years, of the Effective Date of this Franchise, or, in both instances, such longer period as may be permitted by the Cable Law, except, in accordance with NY PSC rules and regulations: (A) for periods of Force Majeure; (B) for periods of delay caused by the LFA; (C) for periods of delay resulting from Franchisee's inability to obtain authority to access rights-of-way in the Service Area; (D) in areas where developments or buildings are subject to claimed exclusive arrangements with other providers; (E) in areas, developments or buildings where Franchisee cannot gain access after good faith efforts; (F) in areas, developments or buildings where the provision of Cable Service is economically infeasible because such provision requires nonstandard facilities which are not available on a commercially reasonable basis; and (G) in areas where the occupied residential household density does not meet the density and other requirements set forth in Sub-Subsection 3.1.1.1. and Section 3.2.

3.1.1.1. *Density Requirement:* Franchisee shall make Cable Services available to residential dwelling units in all areas of the Service Area where the average density is equal to or greater than thirty-five (35) occupied residential dwelling units per mile as measured in strand footage from the nearest technically feasible point on the active FTTP Network trunk or feeder line. Should, through new construction, an area within the Service Area meet the density requirements after the time stated for providing Cable Service as set forth in Subsection 3.1.1 respectively, Franchisee shall provide Cable Service to such area within twelve (12) months of receiving notice from the LFA that the density requirements have been met.

3.2. Availability of Cable Service: Franchisee shall make Cable Service available to all residential dwelling units and may make Cable Service available to businesses within the Service Area in conformance with Section 3.1, and Franchisee shall not discriminate between or among any individuals in the availability of Cable Service or based upon the income in a local area. In the areas in which Franchisee shall provide Cable Service, Franchisee shall be required to connect, at Franchisee's expense, other than a standard installation charge, all residential dwelling units that are within one hundred fifty (150) feet of aerial trunk or feeder lines not otherwise already served by Franchisee's FTTP Network. Franchisee shall be allowed to recover, from a Subscriber that requests such connection, the actual costs incurred for residential dwelling unit connections that exceed one hundred fifty (150) feet or are in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile and the actual costs incurred to connect any non-residential dwelling unit Subscriber, provided, however, that Franchisee may seek a waiver of any requirement that it extend service to any party requesting the same in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile if such would not be possible within the limitations of economic feasibility. For underground installations, Franchisee shall charge the Subscriber Franchisee's

MCGUIRE WOODS LLP DRAFT 10/30/07

actual cost. Such costs shall be submitted to said Subscriber in writing before installation is begun.

3.3. Cable Service to Public Buildings: Subject to Section 3.1, Franchisee shall provide, without charge within the Service Area, one service outlet activated for Basic Service to each public school and public library, and such other buildings used for municipal purposes as may be designated by the LFA as provided in **Exhibit A** attached hereto; provided, however, that if it is necessary to extend Franchisee's aerial trunk or feeder lines more than five hundred (500) feet solely to provide service to any such school or public building, the LFA shall have the option either of paying Franchisee's direct costs for such aerial extension in excess of five hundred (500) feet, or of releasing Franchisee from the obligation to provide service to such school or public building. Furthermore, Franchisee shall be permitted to recover, from any school or public building owner entitled to free service, the direct cost of installing, when requested to do so, more than one outlet, or concealed inside wiring, or a service outlet requiring more than five hundred (500) feet of drop cable; provided, however, that Franchisee shall not charge for the provision of Basic Service to the additional service outlets once installed. For underground installations, Franchisee shall charge the recipient Franchisee's actual cost. Such costs shall be submitted to said recipient in writing before installation is begun. Cable Service may not be resold or otherwise used in contravention of Franchisee's rights with third parties respecting programming. Equipment provided by Franchisee, if any, shall be replaced at retail rates if lost, stolen or damaged.

3.4. *Contribution in Aid:* Notwithstanding the foregoing, Franchisee shall comply at all times, with the requirements of Section 895.5 of NY PSC rules and regulations.

4. <u>SYSTEM FACILITIES</u>

4.1. *Quality of Materials and Work:* Franchisee shall construct and maintain its System using materials of good and durable quality, and require that all work involved in the construction, installation, maintenance and repair of the Cable System shall be performed in a safe, thorough and reliable manner.

4.2. *System Characteristics:* During the term hereof Franchisee's Cable System shall meet or exceed the following requirements:

4.2.1. The System shall be designed and operated with an initial analog and digital carrier passband between 50 and 860 MHz and shall provide for a minimum channel capacity of not less than 77 channels on the Effective Date.

4.2.2. The System shall be designed to be an active two-way plant for subscriber interaction, if any, required for the selection or use of Cable Service.

4.3. *Interconnection:* The Franchisee shall design its Cable System so that it may be interconnected with other cable systems in the Franchise Area. Interconnection of systems may be made by direct cable connection, microwave link, satellite, or other appropriate methods.

4.4. *Emergency Alert System:* Franchisee shall comply with the Emergency Alert System ("EAS") requirements of the FCC and the State of New York, including the NY PSC's rules and regulations and the current New York EAS Plan, in order that emergency messages may be distributed over the System.

4.5. *Parental Control:* Upon request by any Subscriber, and where technologically feasible, the Franchisee shall provide such requesting Subscriber with a parental control device at no additional charge. Such device will, at a minimum, offer as an option that a Person ordering programming must provide a personal identification number or other means provided by the Franchisee only to a Subscriber. Provided, however, that the Franchisee shall bear no responsibility for the exercise of parental controls and shall incur no liability for any Subscriber's or viewer's exercise or failure to exercise such controls.

5. **PEG SERVICES**

5.1. *PEG Set Aside:*

5.1.1. In order to ensure universal availability of public, educational and government programming, Franchisee shall provide capacity on its Basic Service tier for up to one (1) dedicated Public Access Channel^{*}, one (1) dedicated Educational Access Channel, and up to one (1) dedicated Government Access Channel (collectively, "PEG Channels").

5.1.2. The programming to be carried on each of the PEG Channels set aside by Franchisee is reflected in <u>Exhibit C</u> attached hereto. The LFA hereby authorizes Franchisee to transmit such programming within and without LFA jurisdictional boundaries. Franchisee specifically reserves the right to make or change channel assignments in its sole discretion. If a PEG Channel provided under this Article is not being utilized by the LFA, Franchisee may utilize such PEG Channel, in its sole discretion, until such time as the LFA elects to utilize the PEG Channel for its intended purpose. In the event that the LFA determines to use PEG capacity, the LFA shall provide Franchisee with prior written notice of such request in accordance with NY PSC rules and regulations.

5.1.3. Franchisee shall provide the technical ability to play back prerecorded programming provided to Franchisee consistent with this Section. Franchisee shall transmit programming consistent with the dedicated uses of PEG Access Channels. Franchisee shall comply at all times with the requirements of Section 895.4 of the NY PSC rules and regulations.

5.2. *PEG Grant:* The Franchisee shall pay a one-time PEG grant to the LFA in an amount of Five Thousand Dollars (\$5000.00) (the "PEG Grant"), which shall be payable within sixty (60) days of the Effective Date. Such grant shall be used solely by the LFA for PEG access equipment, including, but not limited to, studio and portable production equipment, editing equipment and program playback equipment, for renovation or construction of PEG access facilities and for any other cable related need that the LFA may ascertain.

^{*} Subject to applicability.

MCGUIRE WOODS LLP – DRAFT 10/30/07

5.3. *Franchise Grant:* The Franchisee shall pay a one-time Franchise grant to the LFA in the amount of Three Thousand and 00/100 Dollars (\$3,000.00) (the "Franchise Grant"), which shall be payable within sixty (60) days of the Effective Date.

5.4. Indemnity for PEG: To the extent that the LFA utilizes its PEG Access Channels or facilities, the LFA shallmay require all local producers and users of any of the PEG facilities or Channels to agree in writing to authorize Franchisee to transmit programming consistent with this Agreement and to defend and hold harmless Franchisee and the LFA from and against any and all liability or other injury, including the reasonable cost of defending claims or litigation, arising from or in connection with claims for failure to comply with applicable federal laws, rules, regulations or other requirements of local, state or federal authorities; for claims of libel, slander, invasion of privacy, or the infringement of common law or statutory copyright; for unauthorized use of any trademark, trade name or service mark; for breach of contractual or other obligations owing to third parties by the producer or user; and for any other injury or damage in law or equity, which result from the use of a PEG facility or Channel. In the event that the LFA utilizes its PEG Access Channels or facilities, the LFA shall establish rules and regulations for use of PEG facilities, consistent with, and as required by, 47 U.S.C. §531. The Franchisee shall administer the Public Access Channel and programming pursuant to the Cable Law. The Franchisee shall include the LFA in the written authorization to transmit programming and indemnification of the Franchisee and the LFA against liability as described in this section 5.4.

5.5. *Recovery of Costs:* To the extent permitted by federal law, the Franchisee shall be allowed to recover any costs of the PEG Grant, the Franchise Grant and any other costs arising from the provision of PEG services from Subscribers and to include such costs as a separately billed line item on each Subscriber's bill. Without limiting the forgoing, if allowed under state and federal laws, Franchisee may externalize, line-item, or otherwise pass-through interconnection costs to Subscribers.

6. **FRANCHISE FEES**

6.1. *Payment to LFA:* Franchisee shall pay to the LFA a Franchise Fee of five percent (5%) of annual Gross Revenue (the "Franchise Fee"). In accordance with Title VI, the twelve (12) month period applicable under the Franchise for the computation of the Franchise Fee shall be a calendar year. Such payments shall be made no later than forty-five (45) days following the end of each calendar quarter. Franchisee shall be allowed to submit or correct any payments that were incorrectly omitted, and shall be refunded any payments that were incorrectly submitted, in connection with the quarterly Franchise Fee remittances within ninety (90) days following the close of the calendar year for which such payments were applicable.

6.2. *Supporting Information:* Each Franchise Fee payment shall be accompanied by a brief report prepared by a representative of Franchisee showing the basis for the computation.

6.3. *Audit:* Subject to the confidentiality requirements set forth in Section 7.1 of this Franchise and the LFA's imposition of comparable obligations to those contained in this

Version 24, Draft #____, Page Nur<u>Hentington Bay/Yerizon New York Inc.</u> Franchise Agreement/November 2007

MCGUIRE WOODS LLP DRAFT 10/30/07

Section 6.3 on all cable service providers in the Service Area, Franchisee shall be responsible for making available to the LFA for inspection and audit, all records necessary to confirm the accurate payment of Franchise Fees, whether the records are held by the Franchisee, an Affiliate, or any other entity that collects or receives funds related to the Franchisee's Cable Services operation in the LFA subject to the payment of Franchise Fees under this Agreement, including, by way of illustration and not limitation, any entity that sells advertising on the Franchisee's behalf. Franchisee shall maintain such records for six (6) years, provided that, if the LFA commences an audit within that six (6) year period, Franchisee shall continue to maintain such records for the duration of any audit in progress at the end of that six (6) year period. The LFA shall conduct all audits expeditiously, and neither the LFA nor Franchisee shall unreasonably delay the completion of an audit. The LFA's audit expenses shall be borne by the LFA unless the audit determines that the payment to the LFA should be increased by five percent (5%) or more in the audited period, in which case the reasonable and customary costs of the audit, together with any additional amounts due to the LFA as a result of such audit, shall be paid by Franchisee to the LFA within sixty (60) days following written notice to Franchisee by the LFA of the underpayment, which notice shall include a copy of the audit report; provided, however, that Franchisee's obligation to pay or reimburse the LFA's audit expenses shall not exceed an aggregate of Six Thousand Dollars (\$6000.00). If re-computation results in additional revenue to be paid to the LFA, such amount shall be subject to interest charges computed from the due date, at the then-current rate set forth in Section 5004 of the New York Civil Practice Law and Rules (which as of the date of execution of this Agreement is nine percent (9%) per annum) per annum during the period such unpaid amount is owed. If the audit determines that there has been an overpayment by Franchisee, the Franchisee may credit any overpayment against its next quarterly payment. Said audit shall be conducted by an independent third party and no auditor so employed by the LFA shall be compensated on a success based formula, e.g., payment based on a percentage of an underpayment, if any. The LFA shall not conduct an audit more frequently than once every three (3) years.

6.4. *Limitation on Franchise Fee Actions*: The parties agree that the period of limitation for recovery of any Franchise Fee payable hereunder shall be six (6) years from the date on which payment by Franchisee is due, but cannot exceed the date of records retention reflected in Section 7.

6.5. *Bundled Services*: If Cable Services subject to the Franchise Fee required under this Article 6 are provided to Subscribers in conjunction with Non-Cable Services, the Franchise Fee shall be applied only to the value of the Cable Services, as reflected on the books and records of Franchisee in accordance with FCC or state public utility regulatory commission rules, regulations, standards or orders. The parties agree that tariffed telecommunication service rates that cannot be discounted by law or by regulation are to be excluded from the bundled discount allocation basis. Where pro rata allocation of bundled discounts is commercially practical for any bundled offering, the Franchisee will allocate the bundled discount such that the discount allocated to Cable Service revenues will not exceed the amount which would be allocated to Cable Service revenue on a pro rata basis.

MCGUIRE WOODS LLP DRAFT 10/30/07

7. **<u>REPORTS AND RECORDS</u>**

7.1. Open Books and Records: Upon reasonable written notice to the Franchisee and with no less than thirty (30) business days written notice to the Franchisee, the LFA shall have the right to inspect Franchisee's books and records pertaining to Franchisee's provision of Cable Service in the Franchise Area at any time during Normal Business Hours and on a nondisruptive basis, as are reasonably necessary to ensure compliance with the terms of this Franchise. Such notice shall specifically reference the section or subsection of the Franchise which is under review, so that Franchisee may organize the necessary books and records for appropriate access by the LFA. Franchisee shall not be required to maintain any books and records for Franchise compliance purposes longer than six (6) years. Notwithstanding anything to the contrary set forth herein, Franchisee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose any of its or an Affiliate's books and records not relating to the provision of Cable Service in the Service Area. The LFA shall treat any information disclosed by Franchisee as confidential and shall only disclose it to employees, representatives, and agents thereof who have a need to know, or in order to enforce the provisions hereof. Franchisee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. §551.

7.2. *Records Required*: Franchisee shall at all times maintain:

7.2.1. Records of all written complaints for a period of six (6) years after receipt by Franchisee. The term "complaint" as used herein refers to complaints about any aspect of the Cable System or Franchisee's cable operations, including, without limitation, complaints about employee courtesy. Complaints recorded will not be limited to complaints requiring an employee service call;

7.2.2. Records of outages for a period of six (6) years after occurrence, indicating date, duration, area, and the number of Subscribers affected, type of outage, and cause;

7.2.3. Records of service calls for repair and maintenance for a period of six (6) years after resolution by Franchisee, indicating the date and time service was required, the date of acknowledgment and date and time service was scheduled (if it was scheduled), and the date and time service was provided, and (if different) the date and time the problem was resolved;

7.2.4. Records of installation/reconnection and requests for service extension for a period of six (6) years after the request was fulfilled by Franchisee, indicating the date of request, date of acknowledgment, and the date and time service was extended; and

7.2.5. A map showing the area of coverage for the provisioning of Cable Services and estimated timetable to commence providing Cable Service.

MCGUIRE WOODS LLP DRAFT 10/30/07 7.3. *System-Wide Statistics*: Any valid reporting requirement in the Franchise may be satisfied with system-wide statistics, except those related to Franchise Fees and consumer complaints.

7.4. <u>Performance Review:</u> The LFA may, at its discretion but not more than once per twelve-month period, hold an informal performance evaluation session (the "Performance Review") that is not open to the public to review Franchisee's compliance with the terms and conditions of this Franchise. The information disclosed to the LFA by the Franchisee at the Performance Review shall be treated by the LFA as confidential. The LFA shall provide Franchisee with at least thirty (30) days prior written notice of the Performance Review to be held at a mutually agreeable time. Franchisee shall have the opportunity to participate in and be heard at the Performance Review. Within thirty (30) days after the conclusion of the Performance Review, the LFA shall provide Franchisee written documentation ("Performance Review Report") setting forth its determinations regarding Franchisee's compliance with the terms and conditions of this Franchise. The Performance Review Report shall not contain any confidential information disclosed by the Franchisee during the Performance Review.

8. **INSURANCE AND INDEMNIFICATION**

8.1. Insurance:

8.1.1. Franchisee shall maintain in full force and effect, at its own cost and expense, during the Franchise Term, the following insurance coverage:

8.1.1.1. Commercial General Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for property damage and bodily injury. Such insurance shall cover the construction, operation and maintenance of the Cable System, and the conduct of Franchisee's Cable Service business in the LFA.

8.1.1.2. Automobile Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for bodily injury and property damage coverage.

8.1.1.3. Workers' Compensation Insurance meeting all legal requirements of the State of New York.

8.1.1.5. Excess liability or umbrella coverage of not less than ten million dollars (\$10,000,000).

8.1.2. The LFA shall be designated as an additional insured under each of the insurance policies required in this Article 8 except Worker's Compensation Insurance, and Employer's Liability Insurance, and excess liability or umbrella coverage.

MCGUIRE WOODS LLP DRAFT 10/30/07

8.1.3. Each of the required insurance policies shall be noncancellable except upon thirty (30) days prior written notice to the LFA. Franchisee shall not cancel any required insurance policy without submitting documentation to the LFA verifying that the Franchisee has obtained alternative insurance in conformance with this Agreement.

8.1.4. Each of the required insurance policies shall be with sureties qualified to do business in the State of New York, with an A- or better rating for financial condition and financial performance by Best's Key Rating Guide, Property/Casualty Edition.

8.1.5. Upon written request, Franchisee shall deliver to the LFA Certificates of Insurance showing evidence of the required coverage.

8.2. *Indemnification*:

8.2.1. Franchisee agrees to indemnify the LFA, the Village of Huntington Bay Board of Trustees, its officers, its agents or, <u>attorneys</u>, <u>consultants</u>, <u>independent</u> <u>contractors</u>, employees <u>or third parties acting on behalf of the LFA</u> for, and hold it harmless from, all liability, damage, cost or expense arising from claims of injury to persons or damage to property occasioned by reason of any conduct undertaken pursuant to the Franchise, or by reason of any suit or claim for royalties, programming license fees, or infringement of patent rights arising out of Franchisee's provision of Cable Services over the Cable System other than PEG facilities and Channels, provided that the LFA shall give Franchisee written notice of the LFA's request for indemnification within ten (10) days of receipt of a claim or action pursuant to this Subsection. Notwithstanding the foregoing, Franchisee shall not indemnify the LFA for any damages, liability or claims resulting from the willful misconduct or negligence of the LFA, its officers, agents, employees, attorneys, consultants, independent contractors or third parties or for any activity or function conducted by any Person other than Franchisee in connection with PEG Access or EAS.

8.2.2. With respect to Franchisee's indemnity obligations set forth in Subsection 8.2.1, Franchisee shall provide the defense of any claims brought against the LFA by selecting counsel of Franchisee's choice to defend the claim, subject to the consent of the LFA, which shall not be unreasonably withheld. Nothing herein shall be deemed to prevent the LFA from cooperating with the Franchisee and participating in the defense of any litigation by its own counsel at its own cost and expense, provided however, that after consultation with the LFA, Franchisee shall have the right to defend, settle or compromise any claim or action arising hereunder, and Franchisee shall have the authority to decide the appropriateness and the amount of any such settlement. In the event that the terms of any such proposed settlement includes the release of the LFA and the LFA does not consent to the terms of any such settlement or compromise, Franchisee shall not settle the claim or action but its obligation to indemnify the LFA shall in no event exceed the amount of such settlement.

8.2.3. The LFA shall hold harmless and defend Franchisee from and against and shall be responsible for damages, liability or claims resulting from or arising out of the willful misconduct or negligence of the LFA.

MCGUIRE WOODS LLP DRAFT 10/30/07

8.2.4. The LFA shall be responsible for its own acts of willful misconduct, negligence, or breach, subject to any and all defenses and limitations of liability provided by law. The Franchisee shall not be required to indemnify the LFA for acts of the LFA which constitute willful misconduct or negligence on the part of the LFA, its officers, employees, agents, attorneys, consultants, independent contractors or third parties.

9. **TRANSFER OF FRANCHISE**

9.1. *Transfer:* Subject to Section 617 of the Communications Act, 47 U.S.C. § 537, as amended, no Transfer of the Franchise shall occur without the prior consent of the LFA, provided that such consent shall not be unreasonably withheld, delayed or conditioned. In considering an application for the Transfer of the Franchise, the LFA may consider the applicant's: (i) technical ability; (ii) financial ability; (iii) good character; and (iv) other qualifications necessary to continue to operate the Cable System consistent with the terms of the Franchise. No such consent shall be required, however, for a transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Franchisee in the Franchise or Cable System in order to secure indebtedness, or for transactions otherwise excluded under Section 1.31 above.

10. **<u>RENEWAL OF FRANCHISE</u>**

10.1. *Governing Law:* The LFA and Franchisee agree that any proceedings undertaken by the LFA that relate to the renewal of this Franchise shall be governed by and comply with the provisions of Section 12.11 below, the Cable Law and Section 626 of the Communications Act, 47 U.S.C. § 546, as amended.

10.2. *Needs Assessment:* In addition to the procedures set forth in Section 626 of the Communications Act, the LFA shall notify Franchisee of all of its assessments regarding the identity of future cable-related community needs and interests, as well as the past performance of Franchisee under the then current Franchise term. Such assessments shall be provided to Franchisee by the LFA promptly so that Franchisee will have adequate time to submit a proposal under 47 U.S.C. § 546 and complete renewal of the Franchise prior to expiration of its term.

10.3. *Informal Negotiations:* Notwithstanding anything to the contrary set forth herein, Franchisee and the LFA agree that at any time during the term of the then current Franchise, while affording the public appropriate notice and opportunity to comment, the LFA and Franchisee may agree to undertake and finalize informal negotiations regarding renewal of the then current Franchise and the LFA may grant a renewal thereof.

10.4. *Consistent Terms:* Franchisee and the LFA consider the terms set forth in this Article 10 to be consistent with the express provisions of 47 U.S.C. § 546 and the Cable Law.

EXEMPT FROM DISCLOSURE PURSUANT TO N.Y. PUB. OFF. LAW §§87(2)(C) & (D) MCGUIRE WOODS LLP DRAFT 10/30/07 11. ENFORCEMENT AND TERMINATION OF FRANCHISE

11.1. *Notice of Violation*: If at any time the LFA believes that Franchisee has not complied with the terms of the Franchise, the LFA shall informally discuss the matter with Franchisee. If these discussions do not lead to resolution of the problem in a reasonable time, the LFA shall then notify Franchisee in writing of the exact nature of the alleged noncompliance in a reasonable time (for purposes of this Article, the "Noncompliance Notice").

11.2. Franchisee's Right to Cure or Respond: Franchisee shall have sixty (60) days from receipt of the Noncompliance Notice to: (i) respond to the LFA, if Franchisee contests (in whole or in part) the assertion of noncompliance; (ii) cure such noncompliance; or (iii) in the event that, by its nature, such noncompliance cannot be cured within such sixty (60) day period, initiate reasonable steps to remedy such noncompliance and notify the LFA of the steps being taken and the date by which Franchisee projects that it will complete cure of such noncompliance. Upon cure of any noncompliance, the LFA shall provide written confirmation that such cure has been effected.

11.3. *Public Hearing*: The LFA shall schedule a public hearing if the LFA seeks to continue its investigation into the alleged noncompliance (i) if Franchisee fails to respond to the Noncompliance Notice pursuant to the procedures required by this Article, or (ii) if Franchisee has not remedied the alleged noncompliance within sixty (60) days or the date projected pursuant to Section 11.2(iii) above. The LFA shall provide Franchisee at least sixty (60) business days prior written notice of such public hearing, which will specify the time, place and purpose of such public hearing, and provide Franchisee the opportunity to be heard.

11.4. *Enforcement*: Subject to Section 12.11 below and applicable federal and state law, in the event the LFA, after the public hearing set forth in Section 11.3, determines that Franchisee is in default of any provision of this Franchise, the LFA may:

11.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or

11.4.2. Commence an action at law for monetary damages or seek other equitable relief; or

11.4.3. In the case of a substantial noncompliance with a material provision of this Franchise, seek to revoke the Franchise in accordance with Section 11.5.

11.5. *Revocation*: Should the LFA seek to revoke this Franchise after following the procedures set forth above in this Article, including the public hearing described in Section 11.3, the LFA shall give written notice to Franchisee of such intent. The notice shall set forth the specific nature of the noncompliance. The Franchisee shall have ninety (90) days from receipt of such notice to object in writing and to state its reasons for such objection. In the event the LFA has not received a satisfactory response from Franchisee, it may then seek termination of the Franchise at a second public hearing. The LFA shall cause to be served upon the Franchisee, at

OSURE PURSUANT TO N.Y. PUB. OFF. LAW §§8/(2)(C) & (D) MCGUIRE WOODS LLP DRAFT 10/30/07

least thirty (30) business days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to revoke the Franchise.

11.5.1. At the designated public hearing, Franchisee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the LFA, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. A complete verbatim record and transcript shall be made of such hearing.

11.5.2. Following the second public hearing, Franchisee shall be provided up to thirty (30) days to submit its proposed findings and conclusions to the LFA in writing and thereafter the LFA shall determine (i) whether an event of default has occurred under this Franchise; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured or will be cured by the Franchisee. The LFA shall also determine whether it will revoke the Franchise based on the information presented, or, where applicable, grant additional time to the Franchise to effect any cure. If the LFA determines that it will revoke the Franchise, the LFA shall promptly provide Franchisee with a written determination setting forth the LFA's reasoning for such revocation. Franchisee may appeal such written determination of the LFA de *novo*. Franchisee shall be entitled to such relief as the court finds appropriate. Such appeal must be taken within sixty (60) days of Franchisee's receipt of the written determination of the LFA.

11.5.3. The LFA may, at its sole discretion, take any lawful action that it deems appropriate to enforce the LFA's rights under the Franchise in lieu of revocation of the Franchise.

11.6. *Abandonment of Service:* Franchisee shall not abandon any Cable Service or portion thereof without the LFA's prior written consent as provided in the Cable Law.

12. MISCELLANEOUS PROVISIONS

12.1. Actions of Parties: In any action by the LFA or Franchisee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious, and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld, delayed or conditioned.

12.2. *Binding Acceptance*: This Agreement shall bind and benefit the parties hereto and their respective heirs, beneficiaries, administrators, executors, receivers, trustees, successors and assigns, and the promises and obligations herein shall survive the expiration date hereof.

12.3. *Preemption:* In the event that federal or state law, rules, or regulations preempt a provision or limit the enforceability of a provision of this Agreement, the provision shall be read to be preempted to the extent, and for the time, but only to the extent and for the

MCGUIRE WOODS LLP DRAFT 10/30/07 time, required by law. In the event such federal or state law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the LFA.

12.4. *Force Majeure*: Franchisee shall not be held in default under, or in noncompliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to noncompliance or default, where such noncompliance or alleged defaults occurred or were caused by a Force Majeure.

12.4.1. Furthermore, the parties hereby agree that it is not the LFA's intention to subject Franchise to penalties, fines, forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact on Subscribers, or where strict performance would result in practical difficulties and hardship being placed upon Franchisee that outweigh the benefit to be derived by the LFA and/or Subscribers.

12.5. *Notices:* Unless otherwise expressly stated herein, notices required under the Franchise shall be mailed first class, postage prepaid, to the addressees below. Each party may change its designee by providing written notice to the other party.

12.8. *Captions:* The captions and headings of articles and sections throughout this Agreement are intended solely to facilitate reading and reference to the articles, sections and provisions of this Agreement. Such captions shall not affect the meaning or interpretation of this Agreement.

12.9. *Severability*: If any section, subsection, sub-subsection, sentence, paragraph, term, or provision hereof is determined to be illegal, invalid, or unconstitutional by any court of competent jurisdiction or by any state or federal regulatory authority having jurisdiction thereof, such determination shall have no effect on the validity of any other section, subsection, sentence, paragraph, term or provision hereof, all of which will remain in full force and effect for the term of the Franchise.

12.10. *Recitals:* The recitals set forth in this Agreement are incorporated into the body of this Agreement as if they had been originally set forth herein.

12.11. FTTP Network Transfer Prohibition: Under no circumstance including, without limitation, upon expiration, revocation, termination, denial of renewal of the Franchise or any other action to forbid or disallow Franchisee from providing Cable Services, shall Franchisee or its assignees be required to sell any right, title, interest, use or control of any portion of Franchisee's FTTP Network including, without limitation, the Cable System and any capacity used for Cable Service or otherwise, to the LFA or any third party. Franchisee shall not be required to remove the FTTP Network or to relocate the FTTP Network or any portion thereof as a result of revocation, expiration, termination, denial of renewal or any other action to forbid or disallow Franchisee from providing Cable Services. Importance: High

Mara: One more clarifying change to the second sentence based upon our discussion, I am adding the phrase Public Access Channel programming" in the second sentence and correct the tense (addition shown in CAPITAL letters and deletion shown in brackets) -

"...The Franchisee shall include the LFA in the written authorization to transmit PUBLIC ACCESS CHANNEL programming and indemnifY[ication of] the Franchisee and the LFA against liability RELATING TO PUBLIC ACCESS CHANNEL PROGRAMMING as described in this section 5.4."

WHEREAS, the LFA has identified the future cable-related needs and interests of the LFA and its community, has considered and approved the financial, technical and legal qualifications of Franchisee, and has determined that Franchisee's plans for its Cable System are adequate and feasible in a full public proceeding affording due process to all parties;

WHEREAS, the LFA has found Franchisee to be financially, technically and legally qualified to operate the Cable System;

WHEREAS, the LFA has determined that in accordance with the provisions of the Cable Law, this Franchise complies with NY PSC's franchise standards and the grant of a nonexclusive franchise to Franchisee is consistent with the public interest; and

WHEREAS, the LFA and Franchisee have reached agreement on the terms and conditions set forth herein and the parties have agreed to be bound by those terms and conditions.

> Huntington Bay/Verizon New York Inc. Franchise Agreement/November 2007

2.6.2. The failure of the Franchisee on one or more occasions to exercise a right under this Franchise, the Cable Law or other applicable state or federal law, or to require performance under this Franchise, shall not be deemed to constitute a waiver of such right or a waiver of performance of this Agreement, nor shall it excuse the LFA from performance, unless such right or such performance has been specifically waived in writing.

3. **PROVISION OF CABLE SERVICE**

3.1. Service Area:

3.1.1. Service Area: Subject to the issuance of all necessary permits by the LFA, Franchisee shall offer Cable Service to significant numbers of Subscribers within residential areas of the Service Area and may make Cable Service available to businesses in the Service Area, within twelve (12) months and shall offer Cable Service to all residential areas of the Service Area within five (5) years, of the Effective Date of this Franchise, or, in both instances, such longer period as may be permitted by the Cable Law, except, in accordance with NY PSC rules and regulations: (A) for periods of Force Majeure; (B) for periods of delay caused by the LFA; (C) for periods of delay resulting from Franchisee's inability to obtain authority to access rights-of-way in the Service Area; (D) in areas where developments or buildings are subject to claimed exclusive arrangements with other providers; (E) in areas, developments or buildings where Franchisee cannot gain access after good faith efforts; (F) in areas,

7

, subject to Gr. B

developments or buildings where the provision of Cable Service is economically infeasible because such provision requires nonstandard facilities which are not available on a commercially reasonable basis, and (G) in areas where the occupied residential household density does not meet the density and other requirements set forth in Sub-Subsection 3.1.1.1. and Section 3.2.

3.1.1.1. Density Requirement: Franchisee shall make Cable Services available to residential dwelling units in all areas of the Service Area where the average density is equal to or greater than thirty-five (35) occupied residential dwelling units per mile as measured in strand footage from the nearest technically feasible point on the active FTTP Network trunk or feeder line. Should, through new construction, an area within the Service Area meet the density requirements after the time stated for providing Cable Service as set forth in Subsection 3.1.1 respectively, Franchisee shall provide Cable Service to such area within twelve (12) months of receiving notice from the LFA that the density requirements have been met.

Availability of Cable Service: Franchisee shall make Cable Service 3.2. available to all residential dwelling units and may make Cable Service available to businesses within the Service Area in conformance with Section 3.1, and Franchisee shall not discriminate between or among any individuals in the availability of Cable Service or based upon the income in a local area. In the areas in which Franchisee shall provide Cable Service, Franchisee shall be required to connect, at Franchisee's expense, other than a standard installation charge, all residential dwelling units that are within one hundred fifty (150) feet of aerial trunk or feeder lines not otherwise already served by Franchisee's FTTP Network. Franchisee shall be allowed to recover, from a Subscriber that requests such connection, the actual costs incurred for residential dwelling unit connections that exceed one hundred fifty (150) feet or are in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile and the actual costs incurred to connect any non-residential dwelling unit Subscriber, provided, however, that Franchisee may seek a waiver of any requirement that it extend service to any party requesting the same in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile if such would not be possible within the limitations of economic feasibility. For underground installations, Franchisee shall charge the Subscriber Franchisee's actual cost. Such costs shall be submitted to said Subscriber in writing before installation is begun.

3.3. Cable Service to Public Buildings: Subject to Section 3.1, Franchisee shall provide, without charge within the Service Area, one service outlet activated for Basic Service to each public school and public library, and such other buildings used for municipal purposes as may be designated by the LFA as provided in **Exhibit A** attached hereto; provided, however, that if it is necessary to extend Franchisee's aerial trunk or feeder lines more than five hundred (500) feet solely to provide service to any such school or public building, the LFA shall have the option either of paying Franchisee's direct costs for such aerial extension in excess of five hundred (500) feet, or of releasing Franchisee from the obligation to provide service to such school or public building. Furthermore, Franchisee shall be permitted to recover, from any school or public building owner entitled to free service, the direct cost of installing, when requested to do so, more than one outlet, or concealed inside wiring, or a service outlet requiring more than five hundred (500) feet of drop cable; provided, however, that Franchisee shall not charge for the provision of Basic Service to the additional service outlets once installed. For underground installations, Franchisee shall charge the recipient Franchisee's actual cost. Such

Huntington Bay/Verizon New York Inc. Franchise Agreement/November 2007

costs shall be submitted to said recipient in writing before installation is begun. Cable Service may not be resold or otherwise used in contravention of Franchisee's rights with third parties respecting programming. Equipment provided by Franchisee, if any, shall be replaced at retail rates if lost, stolen or damaged.

3.4. *Contribution in Aid:* Notwithstanding the foregoing, Franchisee shall comply at all times, with the requirements of Section 895.5 of NY PSC rules and regulations.

4. SYSTEM FACILITIES

4.1. *Quality of Materials and Work:* Franchisee shall construct and maintain its System using materials of good and durable quality, and require that all work involved in the construction, installation, maintenance and repair of the Cable System shall be performed in a safe, thorough and reliable manner.

4.2. *System Characteristics:* During the term hereof Franchisee's Cable System shall meet or exceed the following requirements:

4.2.1. The System shall be designed and operated with an initial analog and digital carrier passband between 50 and 860 MHz and shall provide for a minimum channel capacity of not less than 77 channels on the Effective Date.

4.2.2. The System shall be designed to be an active two-way plant for subscriber interaction, if any, required for the selection or use of Cable Service.

4.3. *Interconnection:* The Franchisee shall design its Cable System so that it may be interconnected with other cable systems in the Franchise Area. Interconnection of systems may be made by direct cable connection, microwave link, satellite, or other appropriate methods.

4.4. *Emergency Alert System:* Franchisee shall comply with the Emergency Alert System ("EAS") requirements of the FCC and the State of New York, including the NY PSC's rules and regulations and the current New York EAS Plan, in order that emergency messages may be distributed over the System.

4.5. *Parental Control:* Upon request by any Subscriber, and where technologically feasible, the Franchisee shall provide such requesting Subscriber with a parental control device at no additional charge. Such device will, at a minimum, offer as an option that a Person ordering programming must provide a personal identification number or other means provided by the Franchisee only to a Subscriber. Provided, however, that the Franchisee shall bear no responsibility for the exercise of parental controls and shall incur no liability for any Subscriber's or viewer's exercise or failure to exercise such controls.

5. **PEG SERVICES**

5.1. PEG Set Aside:

Huntington Bay/Verizon New York Inc. Franchise Agreement/November 2007

5.1.1. In order to ensure universal availability of public, educational and government programming, Franchisee shall provide capacity on its Basic Service tier for up to one (1) dedicated Public Access Channel^{*}, one (1) dedicated Educational Access Channel, and up to one (1) dedicated Government Access Channel (collectively, "PEG Channels").

5.1.2. The programming to be carried on each of the PEG Channels set aside by Franchisee is reflected in <u>Exhibit C</u> attached hereto. The LFA hereby authorizes Franchisee to transmit such programming within and without LFA jurisdictional boundaries. Franchisee specifically reserves the right to make or change channel assignments in its sole discretion. If a PEG Channel provided under this Article is not being utilized by the LFA, Franchisee may utilize such PEG Channel, in its sole discretion, until such time as the LFA elects to utilize the PEG Channel for its intended purpose. In the event that the LFA determines to use PEG capacity, the LFA shall provide Franchisee with prior written notice of such request in accordance with NY PSC rules and regulations.

5.1.3. Franchisee shall provide the technical ability to play back prerecorded programming provided to Franchisee consistent with this Section. Franchisee shall transmit programming consistent with the dedicated uses of PEG Access Channels. Franchisee shall comply at all times with the requirements of Section 895.4 of the NY PSC rules and regulations.

5.2. *PEG Grant:* The Franchisee shall pay a one-time PEG grant to the LFA in an amount of Five Thousand Dollars (\$5000.00) (the "PEG Grant"), which shall be payable within sixty (60) days of the Effective Date. Such grant shall be used solely by the LFA for PEG access equipment, including, but not limited to, studio and portable production equipment, editing equipment and program playback equipment, for renovation or construction of PEG access facilities and for any other cable related need that the LFA may ascertain.

5.3. *Franchise Grant:* The Franchisee shall pay a one-time Franchise grant to the LFA in the amount of Three Thousand and 00/100 Dollars (\$3,000.00) (the "Franchise Grant"), which shall be payable within sixty (60) days of the Effective Date.

5.4. Indemnity for PEG: To the extent that the LFA utilizes its PEG Access Channels or facilities, the LFA may require all local producers and users of any of the PEG facilities or Channels to agree in writing to authorize Franchisee to transmit programming consistent with this Agreement and to defend and hold harmless Franchisee and the LFA from and against any and all liability or other injury, including the reasonable cost of defending claims or litigation, arising from or in connection with claims for failure to comply with applicable federal laws, rules, regulations or other requirements of local, state or federal authorities; for claims of libel, slander, invasion of privacy, or the infringement of common law or statutory copyright; for unauthorized use of any trademark, trade name or service mark; for breach of contractual or other obligations owing to third parties by the producer or user; and for any other injury or damage in law or equity, which result from the use of a PEG facility or Channel. In the event that the LFA utilizes its PEG Access Channels or facilities, the LFA shall establish rules

^{*} Subject to applicability.

and regulations for use of PEG facilities, consistent with, and as required by, 47 U.S.C. §531. The Franchisee shall administer the Public Access Channel and programming pursuant to the Cable Law. The Franchisee shall include the LFA in the written authorization to transmit Public Access Channel programming and indemnify the Franchisee and the LFA against liability relating to Public Access Channel programming as described in this section 5.4.

5.5. *Recovery of Costs:* To the extent permitted by federal law, the Franchisee shall be allowed to recover any costs of the PEG Grant, the Franchise Grant and any other costs arising from the provision of PEG services from Subscribers and to include such costs as a separately billed line item on each Subscriber's bill. Without limiting the forgoing, if allowed under state and federal laws, Franchisee may externalize, line-item, or otherwise pass-through interconnection costs to Subscribers.

6. FRANCHISE FEES

6.1. Payment to LFA: Franchisee shall pay to the LFA a Franchise Fee of five percent (5%) of annual Gross Revenue (the "Franchise Fee"). In accordance with Title VI, the twelve (12) month period applicable under the Franchise for the computation of the Franchise Fee shall be a calendar year. Such payments shall be made no later than forty-five (45) days following the end of each calendar quarter. Franchisee shall be allowed to submit or correct any payments that were incorrectly omitted, and shall be refunded any payments that were incorrectly submitted, in connection with the quarterly Franchise Fee remittances within ninety (90) days following the close of the calendar year for which such payments were applicable.

6.2. Supporting Information: Each Franchise Fee payment shall be accompanied by a brief report prepared by a representative of Franchisee showing the basis for the computation.

Audit: Subject to the confidentiality requirements set forth in Section 7.1 6.3. of this Franchise and the LFA's imposition of comparable obligations to those contained in this Section 6.3 on all cable service providers in the Service Area, Franchisee shall be responsible for making available to the LFA for inspection and audit, all records necessary to confirm the accurate payment of Franchise Fees, whether the records are held by the Franchisee, an Affiliate, or any other entity that collects or receives funds related to the Franchisee's Cable Services operation in the LFA subject to the payment of Franchise Fees under this Agreement, including, by way of illustration and not limitation, any entity that sells advertising on the Franchisee's behalf. Franchisee shall maintain such records for six (6) years, provided that, if the LFA commences an audit within that six (6) year period, Franchisee shall continue to maintain such records for the duration of any audit in progress at the end of that six (6) year period. The LFA shall conduct all audits expeditiously, and neither the LFA nor Franchisee shall unreasonably delay the completion of an audit. The LFA's audit expenses shall be borne by the LFA unless the audit determines that the payment to the LFA should be increased by five percent (5%) or more in the audited period, in which case the reasonable and customary costs of the audit, together with any additional amounts due to the LFA as a result of such audit, shall be paid by Franchisee to the LFA within sixty (60) days following written notice to Franchisee by the LFA of the underpayment, which notice shall include a copy of the audit report; provided, however, that Franchisee's obligation to pay or reimburse the LFA's audit expenses shall not exceed an

11

aggregate of Six Thousand Dollars (\$6000.00). If re-computation results in additional revenue to be paid to the LFA, such amount shall be subject to interest charges computed from the due date, at the then-current rate set forth in Section 5004 of the New York Civil Practice Law and Rules (which as of the date of execution of this Agreement is nine percent (9%) per annum) per annum during the period such unpaid amount is owed. If the audit determines that there has been an overpayment by Franchisee, the Franchisee may credit any overpayment against its next quarterly payment. Said audit shall be conducted by an independent third party and no auditor so employed by the LFA shall be compensated on a success based formula, e.g., payment based on a percentage of an underpayment, if any. The LFA shall not conduct an audit more frequently than once every three (3) years.

6.4. *Limitation on Franchise Fee Actions*: The parties agree that the period of limitation for recovery of any Franchise Fee payable hereunder shall be six (6) years from the date on which payment by Franchisee is due, but cannot exceed the date of records retention reflected in Section 7.

6.5. Bundled Services: If Cable Services subject to the Franchise Fee required under this Article 6 are provided to Subscribers in conjunction with Non-Cable Services, the Franchise Fee shall be applied only to the value of the Cable Services, as reflected on the books and records of Franchisee in accordance with FCC or state public utility regulatory commission rules, regulations, standards or orders. The parties agree that tariffed telecommunication service rates that cannot be discounted by law or by regulation are to be excluded from the bundled discount allocation basis. Where pro rata allocation of bundled discounts is commercially practical for any bundled offering, the Franchisee will allocate the bundled discount such that the discount allocated to Cable Service revenues will not exceed the amount which would be allocated to Cable Service revenue on a pro rata basis.

7. **<u>REPORTS AND RECORDS</u>**

Upon reasonable written notice to the 7.1. Open Books and Records: Franchisee and with no less than thirty (30) business days written notice to the Franchisee, the LFA shall have the right to inspect Franchisee's books and records pertaining to Franchisee's provision of Cable Service in the Franchise Area at any time during Normal Business Hours and on a nondisruptive basis, as are reasonably necessary to ensure compliance with the terms of this Franchise. Such notice shall specifically reference the section or subsection of the Franchise which is under review, so that Franchisee may organize the necessary books and records for appropriate access by the LFA. Franchisee shall not be required to maintain any books and records for Franchise compliance purposes longer than six (6) years. Notwithstanding anything to the contrary set forth herein, Franchisee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose any of its or an Affiliate's books and records not relating to the provision of Cable Service in the Service Area. The LFA shall treat any information disclosed by Franchisee as confidential and shall only disclose it to employees, representatives, and agents thereof who have a need to know, or in order to enforce the provisions hereof. Franchisee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. §551.

> 2 Huntington Bay/Verizon New York Inc. Franchise Agreement/November 2007

7.2. Records Required: Franchisee shall at all times maintain:

7.2.1. Records of all written complaints for a period of six (6) years after receipt by Franchisee. The term "complaint" as used herein refers to complaints about any aspect of the Cable System or Franchisee's cable operations, including, without limitation, complaints about employee courtesy. Complaints recorded will not be limited to complaints requiring an employee service call;

7.2.2. Records of outages for a period of six (6) years after occurrence, indicating date, duration, area, and the number of Subscribers affected, type of outage, and cause;

7.2.3. Records of service calls for repair and maintenance for a period of six (6) years after resolution by Franchisee, indicating the date and time service was required, the date of acknowledgment and date and time service was scheduled (if it was scheduled), and the date and time service was provided, and (if different) the date and time the problem was resolved;

7.2.4. Records of installation/reconnection and requests for service extension for a period of six (6) years after the request was fulfilled by Franchisee, indicating the date of request, date of acknowledgment, and the date and time service was extended; and

7.2.5. A map showing the area of coverage for the provisioning of Cable Services and estimated timetable to commence providing Cable Service.

7.3. System-Wide Statistics: Any valid reporting requirement in the Franchise may be satisfied with system-wide statistics, except those related to Franchise Fees and consumer complaints.

7.4. <u>Performance Review:</u> The LFA may, at its discretion but not more than once per twelve-month period, hold an informal performance evaluation session (the "Performance Review") that is not open to the public to review Franchisee's compliance with the terms and conditions of this Franchise. The information disclosed to the LFA by the Franchisee at the Performance Review shall be treated by the LFA as confidential. The LFA shall provide Franchisee with at least thirty (30) days prior written notice of the Performance Review to be held at a mutually agreeable time. Franchisee shall have the opportunity to participate in and be heard at the Performance Review. Within thirty (30) days after the conclusion of the Performance Review, the LFA shall provide Franchisee written documentation ("Performance Review Report") setting forth its determinations regarding Franchisee's compliance with the terms and conditions of this Franchise. The Performance Review Report shall not contain any confidential information disclosed by the Franchisee during the Performance Review.

8. INSURANCE AND INDEMNIFICATION

Such insurance shall cover the construction, operation and maintenance of the Cable System, and the conduct of Franchisee's Cable Service business in the LFA.

8.1.1.2. Automobile Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for bodily injury and property damage coverage.

8.1.2. The LFA shall be designated as an additional insured under each of the insurance policies required in this Article 8 except Worker's Compensation Insurance and Employer's Liability Insurance.

8.1.3. Each of the required insurance policies shall be noncancellable except upon thirty (30) days prior written notice to the LFA. Franchisee shall not cancel any required insurance policy without submitting documentation to the LFA verifying that the Franchisee has obtained alternative insurance in conformance with this Agreement.

8.1.4. Each of the required insurance policies shall be with sureties qualified to do business in the State of New York, with an A- or better rating for financial condition and financial performance by Best's Key Rating Guide, Property/Casualty Edition.

8.1.5. Upon written request, Franchisee shall deliver to the LFA Certificates of Insurance showing evidence of the required coverage.

8.2. Indemnification:

8.2.1. Franchisee agrees to indemnify the LFA, the Village of Huntington Bay Board of Trustees, its officers, its agents, attorneys, consultants, independent contractors, employees or third parties acting on behalf of the LFA for, and hold it harmless from, all liability, damage, cost or expense arising from claims of injury to persons or damage to property occasioned by reason of any conduct undertaken pursuant to the Franchise, or by reason of any suit or claim for royalties, programming license fees, or infringement of patent rights arising out of Franchisee's provision of Cable Services over the Cable System other than PEG facilities and Channels, provided that the LFA shall give Franchisee written notice of the LFA's request for

indemnification within ten (10) days of receipt of a claim or action pursuant to this Subsection. Notwithstanding the foregoing, Franchisee shall not indemnify the LFA for any damages, liability or claims resulting from the willful misconduct or negligence of the LFA, its officers, agents, employees, attorneys, consultants, independent contractors or third parties or for any activity or function conducted by any Person other than Franchisee in connection with PEG Access or EAS.

8.2.2. With respect to Franchisee's indemnity obligations set forth in Subsection 8.2.1, Franchisee shall provide the defense of any claims brought against the LFA by selecting counsel of Franchisee's choice to defend the claim, subject to the consent of the LFA, which shall not be unreasonably withheld. Nothing herein shall be deemed to prevent the LFA from cooperating with the Franchisee and participating in the defense of any litigation by its own counsel at its own cost and expense, provided however, that after consultation with the LFA, Franchisee shall have the right to defend, settle or compromise any claim or action arising hereunder, and Franchisee shall have the authority to decide the appropriateness and the amount of any such settlement. In the event that the terms of any such proposed settlement includes the release of the LFA and the LFA does not consent to the terms of any such settlement or compromise, Franchisee shall not settle the claim or action but its obligation to indemnify the LFA shall in no event exceed the amount of such settlement.

8.2.3. The LFA shall hold harmless and defend Franchisee from and against and shall be responsible for damages, liability or claims resulting from or arising out of the willful misconduct or negligence of the LFA.

8.2.4. The LFA shall be responsible for its own acts of willful misconduct, negligence, or breach, subject to any and all defenses and limitations of liability provided by law. The Franchisee shall not be required to indemnify the LFA for acts of the LFA which constitute willful misconduct or negligence on the part of the LFA, its officers, employees, agents, attorneys, consultants, independent contractors or third parties.

9. TRANSFER OF FRANCHISE

9.1. Transfer: Subject to Section 617 of the Communications Act, 47 U.S.C. § 537, as amended, no Transfer of the Franchise shall occur without the prior consent of the LFA, provided that such consent shall not be unreasonably withheld, delayed or conditioned. In considering an application for the Transfer of the Franchise, the LFA may consider the applicant's: (i) technical ability; (ii) financial ability; (iii) good character; and (iv) other qualifications necessary to continue to operate the Cable System consistent with the terms of the Franchise. No such consent shall be required, however, for a transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Franchisee in the Franchise or Cable System in order to secure indebtedness, or for transactions otherwise excluded under Section 1.31 above.

Huntington Bay/Verizon New York Inc. Franchise Agreement/November 2007

10. **RENEWAL OF FRANCHISE**

10.1. Governing Law: The LFA and Franchisee agree that any proceedings undertaken by the LFA that relate to the renewal of this Franchise shall be governed by and comply with the provisions of Section 12.11 below, the Cable Law and Section 626 of the Communications Act, 47 U.S.C. § 546, as amended.

10.2. Needs Assessment: In addition to the procedures set forth in Section 626 of the Communications Act, the LFA shall notify Franchisee of all of its assessments regarding the identity of future cable-related community needs and interests, as well as the past performance of Franchisee under the then current Franchise term. Such assessments shall be provided to Franchisee by the LFA promptly so that Franchisee will have adequate time to submit a proposal under 47 U.S.C. § 546 and complete renewal of the Franchise prior to expiration of its term.

10.3. *Informal Negotiations:* Notwithstanding anything to the contrary set forth herein, Franchisee and the LFA agree that at any time during the term of the then current Franchise, while affording the public appropriate notice and opportunity to comment, the LFA and Franchisee may agree to undertake and finalize informal negotiations regarding renewal of the then current Franchise and the LFA may grant a renewal thereof.

10.4. Consistent Terms: Franchisee and the LFA consider the terms set forth in this Article 10 to be consistent with the express provisions of 47 U.S.C. § 546 and the Cable Law.

11. ENFORCEMENT AND TERMINATION OF FRANCHISE

11.1. *Notice of Violation*: If at any time the LFA believes that Franchisee has not complied with the terms of the Franchise, the LFA shall informally discuss the matter with Franchisee. If these discussions do not lead to resolution of the problem in a reasonable time, the LFA shall then notify Franchisee in writing of the exact nature of the alleged noncompliance in a reasonable time (for purposes of this Article, the "Noncompliance Notice").

11.2. Franchisee's Right to Cure or Respond: Franchisee shall have sixty (60) days from receipt of the Noncompliance Notice to: (i) respond to the LFA, if Franchisee contests (in whole or in part) the assertion of noncompliance; (ii) cure such noncompliance; or (iii) in the event that, by its nature, such noncompliance cannot be cured within such sixty (60) day period, initiate reasonable steps to remedy such noncompliance and notify the LFA of the steps being taken and the date by which Franchisee projects that it will complete cure of such noncompliance. Upon cure of any noncompliance, the LFA shall provide written confirmation that such cure has been effected.

11.3. *Public Hearing*: The LFA shall schedule a public hearing if the LFA seeks to continue its investigation into the alleged noncompliance (i) if Franchisee fails to respond to the Noncompliance Notice pursuant to the procedures required by this Article, or (ii) if Franchisee has not remedied the alleged noncompliance within sixty (60) days or the date projected pursuant to Section 11.2(iii) above. The LFA shall provide Franchisee at least sixty

(60) business days prior written notice of such public hearing, which will specify the time, place and purpose of such public hearing, and provide Franchisee the opportunity to be heard.

11.4. *Enforcement*: Subject to Section 12.11 below and applicable federal and state law, in the event the LFA, after the public hearing set forth in Section 11.3, determines that Franchisee is in default of any provision of this Franchise, the LFA may:

11.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or

11.4.2. Commence an action at law for monetary damages or seek other equitable relief; or

11.4.3. In the case of a substantial noncompliance with a material provision of this Franchise, seek to revoke the Franchise in accordance with Section 11.5.

11.5. *Revocation*: Should the LFA seek to revoke this Franchise after following the procedures set forth above in this Article, including the public hearing described in Section 11.3, the LFA shall give written notice to Franchisee of such intent. The notice shall set forth the specific nature of the noncompliance. The Franchisee shall have ninety (90) days from receipt of such notice to object in writing and to state its reasons for such objection. In the event the LFA has not received a satisfactory response from Franchisee, it may then seek termination of the Franchise at a second public hearing. The LFA shall cause to be served upon the Franchisee, at least thirty (30) business days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to revoke the Franchise.

11.5.1. At the designated public hearing, Franchisee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the LFA, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. A complete verbatim record and transcript shall be made of such hearing.

11.5.2. Following the second public hearing, Franchisee shall be provided up to thirty (30) days to submit its proposed findings and conclusions to the LFA in writing and thereafter the LFA shall determine (i) whether an event of default has occurred under this Franchise; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured or will be cured by the Franchisee. The LFA shall also determine whether it will revoke the Franchise based on the information presented, or, where applicable, grant additional time to the Franchisee to effect any cure. If the LFA determines that it will revoke the Franchise, the LFA shall promptly provide Franchisee with a written determination setting forth the LFA's reasoning for such revocation. Franchisee may appeal such written determination of the LFA to an appropriate court, which shall have the power to review the decision of the LFA *de novo*. Franchisee shall be entitled to such relief as the court finds appropriate. Such appeal must be taken within sixty (60) days of Franchisee's receipt of the written determination of the LFA.

11.5.3. The LFA may, at its sole discretion, take any lawful action that it deems appropriate to enforce the LFA's rights under the Franchise in lieu of revocation of the Franchise.

11.6. *Abandonment of Service:* Franchisee shall not abandon any Cable Service or portion thereof without the LFA's prior written consent as provided in the Cable Law.

12. MISCELLANEOUS PROVISIONS

12.1. Actions of Parties: In any action by the LFA or Franchisee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious, and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld, delayed or conditioned.

12.3. *Preemption:* In the event that federal or state law, rules, or regulations preempt a provision or limit the enforceability of a provision of this Agreement, the provision shall be read to be preempted to the extent, and for the time, but only to the extent and for the time, required by law. In the event such federal or state law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the LFA.

12.4. Force Majeure: Franchisee shall not be held in default under, or in noncompliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to noncompliance or default, where such noncompliance or alleged defaults occurred or were caused by a Force Majeure.

12.4.1. Furthermore, the parties hereby agree that it is not the LFA's intention to subject Franchisee to penalties, fines, forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact on Subscribers, or where strict performance would result in practical difficulties and hardship being placed upon Franchisee that outweigh the benefit to be derived by the LFA and/or Subscribers.

12.5. *Notices:* Unless otherwise expressly stated herein, notices required under the Franchise shall be mailed first class, postage prepaid, to the addressees below. Each party may change its designee by providing written notice to the other party.
