Re: Case # 99-V-1087

Dear Secretary Deixler:

The Town of Perinton was granted a Temporary Operating Authority by the Commission on April 22, 2002. We are currently parties to a lawsuit with Time-Warner (with the City of Rochester and several other Monroe County towns) regarding the payment of franchise fees on cable modem service under the language of our current cable contract. We would like to get this matter resolved prior to signing a new contract with Time-Warner. Can we receive another six-month extension of our current contract?

Your assistance in this matter is appreciated.

Yours,

  
James E. Smith  
Supervisor  
Town of Perinton
