Case 07-E-0523  
Proceeding on Motion of the Commission as to the Rates, Charges, Rules and  
Regulations of Consolidated Edison Company of New York, Inc for Electric  
Service

Dear Secretary Brilling:

IDT Energy is a licensed ESCO in New York State and, at present, provides electric and natural commodity services in 6 service territories in the State including a significant number of natural gas customers in the Consolidated Edison service territory. Determinations made in this proceeding may impact operations of IDT Energy. Accordingly, IDT respectfully requests that it be granted active party status for the listed parties herein pursuant to Rule 4.3 as its participation will likely contribute to the development of a complete record and is in the public interest. IDT Energy accepts the record as developed as of today's date.

Thank you for your assistance.

Respectfully submitted,

Wayne Stoughton  
Vice President  
Sales and Customer Service  
IDT Energy, Inc.
