RE: Request for Trade Secret Protection

Dear Records Access Officer:

Constellation Energy Services of New York, Inc. ("Constellation of NY"), formerly Integrys Energy Services of New York, Inc., respectfully requests that the information in the attached documents (the historic ESCO price reporting form and our footnotes) be treated by the Commission and the Department of Public Service as trade secret information and confidential commercial information pursuant to Public Officers Law §§ 87(2) and 89(2), and the Commission's implementing regulation, 16 NYCRR § 6-1.3. The information in these documents, if made publicly available, would likely cause substantial injury to the competitive positions of Constellation of NY. Accordingly, we respectfully request that the attached unredacted documents be treated as confidential trade secret information and afforded all of the protections against public disclosure available for such information, as provided by law.

Should you have any questions, please call me at 312-681-1855.

Kind regards,
