Re: CASE 99-C-0800 - 716 Area Code Proceeding

Ladies and Gentlemen:

With this letter I submit to the Public Service Commission the list of signatories of the 716 Rochester online petition.

More than one thousand residents of Rochester, Monroe County and the surrounding counties have signed this petition, which received no material promotion beyond the initial media reports when it was established.

By supporting this petition, these signatories collectively make the following request:

“Please accommodate the need for more phone numbers in western New York by splitting the current 716 territory, with the Rochester area retaining area code 716.”

Respectfully submitted,

Bill Smith

To the New York State Public Service Commission:

Please accommodate the need for more phone numbers in western New York by splitting the current 716 territory, with the Rochester area retaining the area code 716.
