RE: Case No. 021-M-0238, Petition of Fortistar North Tonawanda Inc. and Digihost International Inc. for a Declaratory Ruling Regarding Application of Section 70 and 83 of the New York State Public Service Law and the Alternative, Approval of the Proposed Transaction Pursuant to Sections 70 and 83

Dear Mr. Howard, Ms. Phillips, and Mr. Denn:

We write today to comment on the extension of the public comment period granted on Earth Justice's motion dated September 1, 2021, as a result of our supplemental letter posted on Thursday, August 26, 2021 (the "Letter"). We respectfully object to the extension.

The Letter was submitted as a reiteration of publicly available information and a statement that the company is keenly aware of New York's aggressive environmental goals to be achieved by the end of years 2030 and 2040. As previously stated, we remain committed to working with New York State to achieve and exceed these goals in advance of the target dates of the Climate Leadership and Community Protection Act.

Thank you for your consideration and due diligence throughout this process. As always, please contact us with any further questions or concerns.

Sincerely,
Digihost International, Inc.
