PROMOTIONAL OFFERING

Independence Plan Discount Pricing Promotion

The Independence Plan will offer three (3) levels of discounts to its customers based on the number of features, revenue volume and revenue commitments.

Level 1 - Independence Plan Feature Discounts

The Independence Plan Feature Discount will discount features based on the number of features subscribed to a line. List rates will be established for Custom Calling features at the market level. Independence Plan Feature Discounts are determined at a line level based on the number (see Chart 1) of eligible (see Chart 2) features that are subscribed to on the individual line. This discount is applied before any other discounts.

PROMOTIONAL OFFERING

Level 2 - Independence Plan Volume Discounts

The length of the term commitment determines the retroactive (per invoice cycle) volume discount schedule. Total contributory services under the Customer Master Account Level are to be aggregated during the billing cycle, to determine the earned discount percentage. The earned discount percentage will be applied to all eligible billing to determine The Independence Plan Volume Discounts earned. Product discounts are determined after feature discounts are applied.
