1.Services & Deliverables - Seller agrees to perform the services ("Services") and/or provide the goods or Service deliverables (collectively referred to as "Goods"), described in any purchase order, in accordance with the applicable purchase order, scope of work and with these Terms and Conditions ("Agreement"). Upon acceptance of a purchase order, shipment of Goods or commencement of a Service, Seller shall be bound by the provisions of this Agreement, including all provisions set forth on the face of any applicable purchase order, whether Seller acknowledges or otherwise signs this Agreement or the purchase order, unless Seller objects to such terms in writing prior to shipping Goods or commencing Services.

This writing does not constitute a firm offer within the meaning of Section 2-205 of the Uniform Commercial Code, and may be revoked at any time prior to acceptance. Any terms or conditions contained in any acknowledgment, invoice or other communication of Seller, which are inconsistent with the terms and conditions herein, are hereby rejected. To the extent that this Agreement might be treated as an acceptance of Seller's prior offer, such acceptance is expressly made on condition of assent by Seller to the terms hereof and shipment of the Goods or beginning performance of any Services by Seller shall constitute such assent. Company hereby reserves the right to reschedule any delivery or cancel any purchase order issued at any time prior to shipment of the Goods or prior to commencement of any Services. Company shall not be subject to any charges or other fees as a result of such cancellation.

2. Delivery - Time is of the essence. Delivery of Goods shall be made pursuant to the schedule, via the carrier and to the place specified on the face of the applicable purchase order. Company reserves the right to return, shipping charges collect, all Goods received in advance of the delivery schedule. If no delivery schedule is specified, the order shall be filled promptly and delivery will be made by the most expeditious form of land transportation. If no method of shipment is specified in the purchase order, Seller shall use the least expensive carrier. In the event Seller fails to deliver the Goods within the time specified, Company may, at its option, decline to accept the Goods and terminate the Agreement or may demand its allocable fair share of Seller's available Goods and terminate the balance of the Agreement. Seller shall package all items in suitable containers to permit safe transportation and handling. Each delivered container must be labeled and marked to identify contents without opening and all boxes and packages must contain packing sheets listing contents. Company's purchase order number must appear on all shipping containers, packing sheets, delivery tickets and bills of lading.

For Goods bought "delivered" or "F.O.B. destination," Seller shall prepay freight or other destination charges. For Goods bought "F.O.B. point of origin" or "F.O.B. Seller's Plant" on which the Seller prepays the freight and invoices Company, the Seller shall include the transportation charges on the invoice and attach the freight bill and bill of lading. If the freight bill is not attached, the Seller must show on the invoice, in addition to the transportation charges, the weight of the shipment, the freight rate charged, the name of the carrier, and attach to the invoice a copy of the bill of lading only. Company may withhold payment of Seller's invoice until the date that this condition has been fulfilled and reserves the right to take a cash discount from this later date. On shipments originating in the U.S., the "non-recourse" clause on the bill of lading covering the shipment must not be signed and any overcharges that may accrue will be for the Seller's account.

3. Identification, Risk of Loss & Destruction of Goods - Identification of the Goods shall occur in accordance with Section 2-501 of the Uniform Commercial Code. Seller assumes all risk of loss until receipt by Company. Title to the Goods shall pass to Company upon receipt by it of the Goods at the designated destination. If the Goods ordered are destroyed prior to title passing to Company, Company may at its option cancel the Agreement or require delivery of substitute Goods of equal quality and quality. Such delivery will be made as soon as commercially practicable. If loss of Goods is partial, Company shall have the right to require delivery of the Goods not destroyed.

4. Payment - As full consideration for the performance of the Services, delivery of the Goods and the assignment of rights to Company as provided herein, Company shall pay Seller (i) the amount agreed upon and specified in the applicable purchase order, or (ii) Seller's quoted price on date of shipment (for Goods), or the date Services were started (for Services). Applicable taxes and other charges such as shipping costs, duties, customs, tariffs, imposts and government-imposed surcharges shall be stated separately on Seller's invoice. Payment is made when Company's check is mailed. Payment shall not constitute acceptance. All personal property taxes assessable upon the Goods prior to receipt by Company of Goods conforming to the purchase order shall be borne by Seller. Seller shall invoice Company for all Goods delivered and all Services actually performed. Each invoice submitted by Seller must be provided to Company within ninety (90) days of completion of the Services or delivery of Goods and must reference the applicable purchase order, and Company reserves the right to return all incorrect invoices. Company will receive a 2% discount of the invoiced amount for all invoices that are submitted more than ninety (90) days after completion of the Services or delivery of the Goods. Unless otherwise specified on the face of a purchase order, Company shall pay the invoiced amount within sixty (60) days after receipt of a correct invoice.
