

STATE OF NEW YORK
DEPARTMENT OF PUBLIC SERVICE

April 1, 2009

TO: THE COMMISSION

FROM: OFFICE OF TELECOMMUNICATIONS

SUBJECT: Issuance of Temporary Operating Authorities for the
cable television companies and associated municipal
franchise service areas listed on Appendix 1

RECOMMENDATION: It is recommended that the Secretary be
authorized to notify by letter directive,
the grant of temporary operating authority
to the companies listed on Appendix 1 to
continue the provisions of cable television
service in each listed municipality for an
additional six month period, subject to the
conditions set forth in the memorandum.

The cable television companies listed on Appendix 1 are providing cable television services within each of the municipalities listed on Appendix 1. The companies are providing cable television services in the municipalities shown pursuant to municipal franchises or Temporary Operating Authorities granted by the Commission. Those municipal franchises or Temporary Operating Authorities will expire on the dates shown in the Appendix. Each of the companies and the associated municipalities are in the process of negotiating a franchise renewal and none are expected to complete that process before the indicated expiration dates.

Staff believes that it is in the public interest to continue the operating authority of cable television companies during the negotiation of franchise renewal in order to ensure the continued provision of cable television services in the affected municipal franchise areas, and to mitigate the potential for adverse impacts on the cable companies' ability to continue service in the absence of formal operating authority. Accordingly, we recommend that each company listed on Appendix 1 be granted, for each municipality listed, temporary authority to continue its cable television operations for an additional six month period. The temporary operating authority should be

granted on the condition that all the terms and conditions of the recently expired franchise will continue to apply during the term of the temporary authority, as well as all of the Franchise Standards set forth in Part 895 of Subtitle 16 of the Official Compilation of Codes, Rules and Regulations of the State of New York. In the event any franchise provision is inconsistent with a provision of Part 895, the provision most beneficial to the subscriber should be controlling.

Respectfully submitted,

JOHN A. FIGLIOZZI
Chief, Franchising and
Municipal Assistance Section
